#### What are your current job

**responsibilities:** As a Recreation Monitor I have a wide variety of job responsibilities that typically vary with the seasons. In the spring and summer we are busy outside maintaining softball, baseball and soccer fields. Additionally, I've been lucky enough to be one of our youth golf instructors for the past few years. In the fall and winter I am usually at gymnasiums around the city supervising or officiating for our basketball programs.

#### Please highlight some of the activities sponsored by the Parks & Rec Department this summer:

the new skate park we've started an "Introduction to Skateboarding" class in conjunction with a local group.

**What do you love about Coeur d'Alene?** Coeur d'Alene has been, and will always be, home to me. It offers a plethora of outdoor activities that I love and the community is lively and friendly. I've lived in a lot of cool places around the country, but none speak to me like Coeur d'Alene does. Besides being absolutely gorgeous, having my family and lifelong friends nearby is really what matters most to me about Coeur d'Alene.

## 11th Annual Wellness Fair

**What about your family and interests?** My parents live in Coeur d'Alene and I have a ton of extended family nearby in Spokane and Seattle. I have a Lab/Pyrenees-mix rescue dog named Everest, who is basically just a 90lb lap-dog. Also, I love to travel! I've been to 15 countries and have a goal of making it to 50 in my lifetime. If I'm not at work or the gym you can probably find me golfing with my buddies at one of the many beautiful courses in the area!
