A. CALL TO ORDER

1. Council Discussion regarding ignite cda Lake District 2-year Priorities

B. ADJOURNMENT

Lake District – City Input re. Project Funding Priority for Remainder of District Term

Listed below are Lake District projects identified for possible Agency funding during the remaining two fiscal years of the Lake District: FY21 & FY22. Ignite cda would like consolidated city leadership input as to the priority of the project ideas listed below. Additionally, the Agency would like to know if there are other projects not listed that deserve Agency funding consideration.

Potential funding of the projects listed below will depend on prioritization and available district funding; it is possible that not all of the listed projects will receive funding.
