City of Coeur d'Alene, Idaho Departmental Summary and Description Human Resources Department

Program Description

The Human Resources Department manages and guides the establishment and implementation of city-wide employment policies and practices. Human Resources services include recruiting and retaining employees, classification and compensation, benefit programs, employee/labor relations and organizational development training.

The City of Coeur d'Alene offers competitive wages and a generous benefit package that includes medical, vision, dental, Public Employees Retirement System of Idaho (PERSI), health reimbursement arrangement (HRA), life insurance, long-term disability, paid holidays, vacation and sick leave accruals, and optional supplemental plans are also available to employees.

The policies and procedures that determine compensation, benefits and various working conditions of City employees varies depending on what bargaining group the employees classification belongs to. Exempt employees pay, benefits and other conditions of employment are established by the Personnel Rules, and include 37 employees. The bargaining groups recognized by the City are the Fire Union (Local 710), which represents 59 employees, the Police Officers Association (POA), which represents 104 employees, and the Lake City's Employee Association (LCEA), which represents 113 employees and includes an additional 29 unrepresented employees that receive the same benefits.

Major Objectives

- Attract and retain quality applicants and employees to ensure the goals of the City are met.
- Support all departments of the City. Continue to work with City departments throughout the year to hire and/or train.
- Continue to update the Personnel Rules to simplify and add clarity to various rules.
- Continue to work with City departments to provide impactful and helpful training topics specific to supervisory skills, management, leadership, compliance and general professional development.
- Provide guidance in policy and procedure assuring compliance, consistency and excellent customer service.

Fiscal Year 2018-19 Accomplishments

- Successful implementation and training of new recruitment tracking software (NeoGov includes tracking and notification for all steps of recruitment, internally and externally, as well as an on-line application process).
- Partnered with Municipal Services and installed a kiosk in the Customer Service Center to allow applicants to apply on-line for jobs at City Hall.
- Hired and currently training a new Human Resources Administrative Assistant. With an additional FTE in HR, we can provide better services to all departments and citizens.
- Various amendments to Personnel Rules.
- HR worked with every department in the City to interview, test, hire and/or train over the fiscal year.
- HR accepted over 1500 applications and hired 115 benefited and temporary employees to fill various vacancies.

- Implement a city-wide training program to benefit all employees.
- Work with departments to identify and develop workers compensation safety and risks to control costs.
- Successfully implement the complete HR module within SpringBrook and transition away from the current Personnel Action Form.
- Keep up on ever changing trends, legislation and new HR strategies to remain compliant but to also think outside the box.
- Continue to improve the City's ability to attract and retain quality applicants and employees in order to provide our staff and community with exceptional customer service.
- Further develop labor/management relationships and processes that are built on mutual trust and respect in collaborative partnerships committed to achieving the City's goals.
- Work closely with administration, collective bargaining groups, and the medical review committee to move forward with a medical insurance program that is beneficial to both the City and employees.

City of Coeur d'Alene, Idaho Departmental Summary and Description Legal Department - Prosecuting Attorney's Office:

Program Description

Provide thoughtful criminal prosecution by balancing the interests of public safety, rehabilitation, deterrence, and alternative justice oriented interventions.

We work as a coordinated team with our law enforcement partners, our community partners and the courts to bring safety to victims of crimes and attempt long term solutions to criminal thinking of defendants. We provide outreach to the community via education, guidance for families in crisis, and community projects.

Major Objectives

- To provide high level of prosecution excellence to ensure public safety;
- Seek long term solutions and stop recidivism by holding offenders accountable through tradition and alternative intervention strategies;
- Evaluate complaints and crime reports to file appropriate criminal charge(s);
- Provide legal guidance to law enforcement in the ever changing laws and rules of law enforcement;
- Defend the city and police officers in constitutional challenges to their law enforcement actions;
- Provide assistance in seeking restitution for crime victims, including the City;
- Participate as a stakeholder in treatment courts, community initiatives for victim safety and other criminal justice programs.

Fiscal Year 2018-19 Accomplishments

- Absorbed a 5.6% case load increase.
- In the last 6 months we have made 5,367 court appearances in criminal cases, averaging 206 weekly case court appearances;
- Defended the City in 32 constitutional challenges alleging police misconduct;
- Employed techniques to address lack of workload capacity.

- Add work load capacity in the department by returning the part-time Deputy City Attorney to full time and adding a new Legal Assistant position to assist with the heavy caseloads and the increasing need for technological assistance and technologic expertise in the courts.
- Continue to prosecute cases and protect the public to the standard that the City of Excellence has come to expect of our department.

City of Coeur d'Alene, Idaho Departmental Summary and Description Legal Department – Civil Office

Program Description:

The Civil Office of the Legal Department provides legal counsel to the Mayor, City Council, city boards and commissions, and city staff. Our office works with all departments and has frequent interactions with citizens with questions regarding City ordinances and codes. Our office is responsible for ensuring that the City is in compliance with all legal requirements.

Major Objectives:

Our primary objective is to provide timely, accurate and helpful legal counsel to all members of the City team as well as helping citizens as appropriate.

Fiscal Year 2018-19 Accomplishments:

The Civil Office participates in most major actions by the City. This year we helped facilitate various land acquisitions and annexations, including the Atlas Mill site. The Legal Department successfully completed the move to City Hall. The Civil Office has supported the Police Department with the handling of public records requests that they receive.

Fiscal Year 2019-20 Goals:

Continue to provide excellent legal services to the City team. The Legal Department's work is to support everything the City does. As the City grows and changes the Legal Department will be available to help the City achieve its goals with timely, accurate and helpful legal counsel.

City of Coeur d'Alene, Idaho Departmental Summary and Description Planning Department

Program Description

The Planning Department's role in the City falls under two main pillars. The first is the long-range and strategic planning role, which provides the bigger picture for planning, zoning, and economic development. In this role, the Planning Department leads community engagement efforts, recommends and leads strategic code amendments, focuses on long-range and special planning projects, and engages with community partners. The second pillar is related to current planning and day-to-day operations. In this role, the Planning Department processes development applications, reviews building permits for compliance with zoning requirements, focuses on improved communications with the development community, and provides excellent customer service. The Planning Department routinely interfaces with other city departments and community partners, and acts as a facilitator. In all of our efforts, the department is mindful of opportunities to integrate walkability, affordable housing, and economic development (e.g., adaptive reuse, economic gardening, support of small business, and innovation) into planning conversations, and helps guide strategic conversations related to growth and community development.

Administration of the City's Community Development Block Grant (CDBG) will be transitioning from the Municipal Services Department to the Planning Department in FY 19/20. The CDBG program details are highlighted separately.

Major Objectives

- Take the lead and/or provide assistance on key City projects such as Atlas Waterfront, Comprehensive Plan (Envision Coeur d'Alene), East Sherman, Health Corridor, Midtown, and infill housing.
- Continue to lead comprehensive planning efforts for the City.
- Facilitate community engagement for major projects.
- Continue to promote continuous improvement for the development review process.
- Promote cost savings by collaborating with community partners on projects and seeking grant opportunities to assist with project costs.

- Promote compatible infill development through code amendments and the Comprehensive Plan update.
- Promote economic development opportunities in existing and new businesses districts (e.g., Midtown, East Sherman and Atlas Waterfront).
- Continue to improve the Zoning and Subdivision Codes.
- Expand the Planning Department services to include the CDBG program.

Fiscal Year 2018-19 Accomplishments

- Atlas Waterfront project annexation, assistance with the Master Plan/Financial Feasibility Study and creation of new urban renewal district and expansion of the two existing districts, community engagement, and coordination with ignite CDA, the Welch-Comer consultant team, and permitting agencies.
- East Sherman Revitalization efforts:
 - Master Plan work with Community Builders & CDA 2030, including the project website and developing a draft Master Plan document that includes proposed action items, funding opportunities, and design concepts.
 - A successful "Activating East Sherman" pilot project on the 1600 block of Sherman.
- Successful collaboration with CDA 2030:
 - Envision Coeur d'Alene Comprehensive Plan Update, Vision and Implementation Plan
 - Partnered on branding and messaging for Envision Coeur d'Alene project – CDA 2030 secured grant funding from the Coeur d'Alene Association of realtors for branding and outreach.
 - Initiated a project website and online community engagement tools, partially funded through a grant.
 - CDA 2030 hired a part-time intern and project coordinator for the project to assist the City and CDA 2030 with the project.
 - Worked together on the request for proposals and scope of work.
 - Facilitated Performing Arts Center Feasibility Study.
 - Assisted with Health Corridor Eligibility Report.
 - Partnered in Opening Books! Opening Doors! Early Childhood Reading Program.
- Midtown Parking Plan in partnership with other city departments.
- Convened an Infill Housing & Accessory Dwelling Unit (ADU) Working Group comprised of builders, developers, architects, representatives of NIBCA, and community members to modify the existing ADU Code (proposed ADU Code amendments will be brought forward before FY 19/20 budget year followed by the Urban & Infill Housing Code).
- Sustainability Subcommittee formed under Natural Resources Committee.

• Fully staffed and reorganized the Planning Department with the hiring of Jake Plagerman as the Planning Technician and reclassification of Tami Stroud and Mike Behary to the Associate Planner (Planner II) position

- Atlas Waterfront assist with shoreline restoration/permitting, public space improvements, development/design standards, and PUD master plan document.
- Work with MIG and collaborate with CDA 2030 and KMPO on the Envision Coeur d'Alene project (Comprehensive Plan update, Vision and Implementation Plan), including transportation and market analysis, vision validation, and updates to the Implementation Plan, project website, and project design/branding materials.
- Begin implementation of the East Sherman Master Plan and amend the Zoning Code to support the East Sherman vision.
- Health Corridor Master Plan & Financial Feasibility Study assistance.
- Assist with economic development efforts in East Sherman and Midtown.
- Work with community partners to develop an Urban & Infill Housing Code building upon work from the ADU code amendments and ideally recommendations for Coeur d'Alene from Opticos on Missing Middle Housing (a grant application is in process for technical assistance).
- Bring the City's CDBG program and Michelle Cushing as the CDBG Grant Administrator into the Planning Department and expand economic development opportunities with CDBG funds.

City of Coeur d'Alene, Idaho Departmental Summary and Description **Police Department**

Program Description

The Police Department strives to improve or maintain the safety of our community through collaborative partnerships in an effort to appropriately respond to emergency calls for service, reduce the fear of crime, and improve community engagement. CDA PD has 112 members who serve our public. The police department is comprised of the following units: Patrol, investigations, school resource officers, community action team, records, traffic, K9, SWAT, code enforcement, civilian investigative specialists, crime analysis, animal control, professional standards, hiring and training, IT, fleet support, property and evidence, volunteers, and chaplains. The Department values proactive policing efforts through both enforcement activities and crime prevention strategies. We encourage ownership in addressing crime issues through a sense of urgency and a commitment to our community's needs.

Major Objectives

- Appropriately respond to emergency calls for service.
- Reduce crime and the fear of crime in our community.
- Properly and adeptly investigate allegations of crime.
- Improve or maintain our partnership with the community.
- Keep school children safe through the School Resource Officer program.
- Continue to support the members of the police department by ensuring they are properly staffed, trained, and equipped to fully meet our public safety mission.
- Employ proven best practices towards innovation and efficiency in policing.

Fiscal Year 2018-19 Accomplishments

- In 2018 Part 1 crime was reduced by -14.35%. Overall Part 1 crime has been reduced -44% since 2014. Crime has dropped steadily every year since 2014 and our crime rates now are lower than they were 20 years ago. Not only is our Part 1 crime rate (per 100,000 population) lower than it has ever been, the total number of Part 1 incidents is lower now than it was in 1997.
- Responded to 45,402 calls for service.
- Reduced reportable accidents, injury accidents, and DUI- related accidents.

- Hired a victim advocate to better serve victims of domestic violence and sex crimes.
- Improved highway safety through our DUI enforcement program.
- Improved investigative processes and appropriately investigated major cases including 179 auto burglaries, 105 aggravated assaults, 20 robberies, 49 rapes, and two homicides.
- Partnered with the Fire Department to develop the Rescue Task Force program to better respond to active shooter incidents.
- Increased recruiting efforts, doubling the number of applicants for open positions.
- Members of the department were recognized for their contributions to local children's charities, numerous lifesaving awards, commitment to diversity, and investigation of hate crimes.

- Continue to reduce the fear of crime in our City through a collaborative effort with community partners.
- Continue to be leaders in public safety for our region.
- Add one SRO in cooperation with SD 271.
- Add one Code Enforcement Officer to assist in improving quality of life.
- Replace obsolete technology such as aging radios and car computers.
- Implement the Police Athletic League in cooperation with the Boys and Girls Club.
- Promote leadership training through several outlets including the nationally recognized Women Leaders in Law Enforcement Conference.

City of Coeur d'Alene, Idaho Departmental Summary and Description Parks Department

Program Description

The Parks Department provides all landscape maintenance on city owned parks and properties. We are budgeted for 14 full time employees and 11 seasonal employees. We maintain 587 acres that include 30 parks, 210 acres of national open space, and 39 miles of pedestrian and bike paths, and 9 miles of hiking trails. Last year we had 145,215 people in the parks at various events and 4,900 hours of usage.

Major Objectives

- Maintain restrooms and other park facilities.
- Provide grounds maintenance of turf, trees, and all landscaping.
- Support and help carry out numerous large scale events; Ironman, 4th of July, Taste of the Coeur d'Alene's, three concert series, etc.
- Provide customer service to all facility use permit holders throughout the parks.

Fiscal Year 2018-19 Accomplishments

- Without the ability to hire a full staff of seasonal employees we outsourced some maintenance and restroom cleaning and came under budget.
- Added much needed vehicles and equipment.
- Ongoing maintenance and care of the K-27 water feature at McEuen Park.

Fiscal Year 2019-20 Goals

- Hire a new Lead Maintenance Worker for our new area along the river.
- Continue to outsource maintenance on non-park areas.

City of Coeur d'Alene, Idaho Departmental Summary and Description Recreation Department

Program Description:

As the Recreation Department we strive to offer a variety of sports and leisure activities to the community. Our programs reach from infant ages all the way through adult ages. We offer traditional team sports programs as well lifetime leisure activities and informational classes.

Major Objectives-

- Continue to grow program offerings. We have started to establish a presence in outdoor recreation through a partnership with Wiley Water rafting. We look to continue our growth in that area with other outdoor partners.
- Develop programs that utilize our parks and new amenities; futsol, pickleball etc.
- Cultivate our relationship with the school district after school programs.

Fiscal Year 2018-19 Accomplishments-

- Continue to increase our swim program to accommodate more citizens. We added more classes and now include Saturdays, allowing for nearly 40-50 additional participants every 6 weeks.
- We have purchased and launched new website/registration software that will increase revenue and participation within our programs. This software will help the department become more efficient in registration, communication, and overall program administration.

Fiscal Year 2019-20 Goals-

- Increase revenues through increased participation. This would then encompass some of our additional goals of having a wider reach into all things recreation related (outdoor activities). Some of this will occur through partnerships with outside groups and businesses and some through coordinating staffing to run more new programs in house. It is sometimes difficult to operate our large list of activities and run new programs with our limited staff. We will look at adding more part-time staff.
- We would benefit greatly from a city owned and operated indoor gymnasium facility. Our goal is to have discussions and potentially start the process to work toward accomplishing this goal.

City of Coeur d'Alene, Idaho Departmental Summary and Description Building Inspection Department

Program Description

The Building Department is responsible for the health, safety, and welfare of the public by creating safe buildings. Our team is responsible for enforcing all applicable building, mechanical, accessibility, plumbing and housing codes and laws adopted by the City and State to ensure a safe and habitable building environment.

Major Objectives

- Administer the building, mechanical, and plumbing codes as adopted to ensure homes and businesses are safe and are accessible to everyone.
- Provide education on the building codes and construction practices for architects, contractors, homeowners, and students.
- Ensure plan reviews, issuance of permits, and inspections are completed both timely and accurately.
- Provide excellent customer service to the construction community, public, and other city departments.

Fiscal Year 2018-19 Accomplishments

- Improved efficiency by removing paper files from the inspection process.
- Accepting commercial plan revisions electronically has saved designers and contractor's time and money.
- Shortened review times for smaller projects such as tenant improvements.
- Providing continuing education and training through North Idaho Code enforcers and North Idaho College.
- Cross-training of building staff.

Fiscal Year 2019-20 Goals

- Continue to have open communication with building community.
- Continue to provide education for the construction community on code requirements and construction practices.
- Provide online payment for fees due after permits are issued.
- Improve Building Department website. Making information more available on city policy and procedures, code updates, and links to helpful information.

City of Coeur d'Alene, Idaho Departmental Summary and Description Cemetery Fund

Program Description

Operation and upkeep of Forest and Riverview cemeteries.

Major Objectives

The cemetery's major objectives are to perform burial services and provide the highest quality and most respectful care possible to those interned there. We provide maintenance on 22 acres at Forest and 7.5 acres at Riverview.

Fiscal Year 2018-19 Accomplishments

- This past year, we performed 118 interments.
- We sold 97 lots and niches and inspected and staked out setting of 64 headstones.
- We started Phase 1 of a new niche garden in Forest Cemetery. The first niche wall of 12 was installed along what will be a meandering paver path that will connect each future niche wall. The path and niches will have a themed plant bed for each wall.
- We procured a 2008 dump bed truck to be used for burial services. This truck replaces a 1995 dump bed truck.

Fiscal Year 2019-20 Goals

- Acquire a new mower. The cemetery employees do all the mowing in the cemeteries, using two front mount deck mowers. One of the mowers we currently use is aged to the point it is undependable and parts are becoming more expensive to replace, and many are not in stock in this country.
- Obtain a new turf vehicle. We have more than 25 acres of cemetery to maintain. In order to do our daily maintenance we use these daily. The two we currently have are very high on operational hours and require more money each year to keep them running, more than what they are currently worth.
- Install privacy fencing along the Old Post section of Forest Cemetery.

City of Coeur d'Alene, Idaho Departmental Summary and Description **Recreation Department-Jewett House**

Program Description

The Jewett House serves as a senior center for a number of activities for senior citizens as well as an event center that accommodates weddings and other special events. The house is host to recreation department offerings as well as staff and corporate meeting and gatherings.

Major Objectives

Our major objective for the house is to continue to grow our department offerings held there and to continue increasing the number of weddings and special events held at the house. This increased revenue will help keep the house mostly self-sustaining and not solely reliant on budgeted city funds.

Fiscal Year 2018-19 Accomplishments

In working with our house manager we have been able to increase events at the house with an even larger number of events expected for this summer.

Fiscal Year 2019-20 Goals

Continue growing programs. We would like to afford a few projects at the house that we feel would greatly benefit the overall product we can present to prospective customers. In trying to accommodate those projects we would like to ask the City to fund \$15,000 as was the case in previous budget years

City of Coeur d'Alene, Idaho Departmental Summary and Description Reforestation, Street Trees and Community Canopy

Program Description

The Urban Forestry division serves as the liaison to the public regarding city ordinances, tree selection, and tree care. Manages the city's tree inventory, coordinates and carries out tree work on public trees, issues permits for contractors and homeowners to work on public trees, and provides public education. Reviews commercial permits to ensure that city codes regarding street trees are met and assists with project reviews. Coordinates the street tree permit program, provides funds for planting, and the city cost share program which provides assistance paying for tree care on public trees abutting single family residential properties. We manage over 22,000 street trees and over 4,000 park trees, along with thousands in natural open spaces.

Major Objectives

- To ensure that public trees receive proper tree care through permitting
- To protect public trees from unnecessary removal
- To keep the city tree inventory up to date to track the state of the tree infrastructure.
- To establish ordinance that promotes proper tree care and a diverse tree population through approved planting lists
- To improve public safety through mitigating hazards regarding public trees.
- To continue the growth of the Urban Forest through planting new trees and reforestation.

Fiscal Year 2018-19 Accomplishments

- Applied for and was awarded a federal grant worth over \$600,000 to perform fuel reduction and mitigate fire hazard at one of the city's largest wildland urban interface areas.
- 21 residential homes have utilized the cost share program this fiscal year resulting in 34 street trees pruned and 9 hazardous our unhealthy trees removed through this program. With a total of 220 trees pruned and 89 trees removed since the programs inception
- Through the Re Leaf CDA program the city has planted 164 street trees at residential properties in the incorporated city limits in this budget year.

Fiscal Year 2019-20 Goals

- Continue the Re Leaf CDA program in the 2019-2020 fiscal year as budget allows
- Review the approved street tree list for the 2019-2020 fiscal year
- Have the completed Urban Forestry master plan adopted.
- Work towards funding a full time street tree crew for the City of Coeur d Alene parks department.

City of Coeur d'Alene, Idaho Departmental Summary and Description **Public Art**

Program Description

The City of Coeur d'Alene Arts Commission is the standing committee charged by the City Council to "stimulate and encourage, throughout the city and surrounding area, the study and presentation of the performing and fine arts, and public interest and participation."

On June 1, 1999, Coeur d'Alene became the first city in Idaho with a funding mechanism for public art. Coeur d'Alene now dedicates 1.33% of the total cost of all eligible capital improvement projects to fund art in public places.

The purpose of the public art program is to integrate a wide range of public art into the community and reflect the diversity of communities, artistic disciplines, and points of view. Artists can be valuable members of planning or design teams and primary resources in the revitalization and development of the downtown and of neighborhoods throughout the city.

Major Objectives

- Integrate public art into the design of buildings, parks, streetscape and public spaces making art a natural, normal enhancement of community design.
- Select artworks of sufficient scale to capture public attention. Make an impression.
- Build a diverse public art collection that: incorporates various art media styles and themes; includes permanent works and temporary exhibitions; and is well-made to withstand climate extremes.
- Place public art out in the open, in accessible locations where more folks can see it and interact.
- Over the years, gradually extend public art from the downtown core into all corners of the city.
- Select art through a juried process that invites citizens to play a role. Extend the selection process to include artists from outside the area, to diversify the collection.
- Ensure that Coeur d'Alene's growing public art program is supported by adequate funding, professional staff, and proper maintenance of the collection by qualified individuals.
- Strive to acquire truly exceptional art of the highest quality, representing in Coeur d'Alene's collection the finest artists of the region and the world.
- Serve as a model and inspiration for other communities interested in introducing their own public art programs.

Fiscal Year 2018-19 Accomplishments

- Issued a call to artists and completed installation of "Fish & Game," a public art bike rack on the upper level of the Coeur d'Alene Public Library.
- Completed installation and dedication of "Undercurrent" sculpture at the entrance to Riverstone Park.
- Issued a call to artists and completed installation of utility box vinyl wraps at four additional locations in the City of Coeur d'Alene.
- Completed installation and dedication of "The Idaho Farmer" sculpture on Front Avenue.
- Issued and awarded a call to artists for public art in the Seltice Way roundabouts.
- Issued and awarded a call to artists for art on loan for the ArtCurrents program, including an expansion of the program into the Riverstone development.
- Successfully planned and coordinated 23rd Annual Mayor's Awards in the Arts Program at the Hagadone Event Center.
- Issued a call to artists for Seltice Way roundabouts public art.

Fiscal Year 2019-20 Goals

- Issue a call to artists for art on loan for the ArtCurrents program.
- Issue and complete installation and dedication of a public art mural at the Third Street Boat launch.
- Issue and complete installation of Storm Drain Art at 8 locations in the City of Coeur d'Alene.
- Completion, installation and dedication of Seltice Way roundabouts public art.
- Completion, installation and dedication of "Inspired," public art sculpture at Memorial Field.
- Completion, installation and dedication of "The Idaho Lumberjack," public art sculpture on Front Avenue.
- Plan, coordinate, and execute 24th Annual Mayor's Awards in the Arts Ceremony.
- Completion and installation of "Viking Ship" public art bike rack on lower level of the Coeur d'Alene Public Library.
- Issue a call to artists for public art in the "4-Corners" area (City Park).

City of Coeur d'Alene, Idaho Departmental Summary and Description Water Department

Program Description

The Water Department endeavors to provide safe and abundant drinking water for the City. Licensed and highly trained operators provide services such as routine and emergency customer calls, meter reading, maintenance and repairs, water production, treatment and storage, water quality sampling, leak detection, various operational and maintenance programs, main and service replacements, fire hydrant installation, maintenance and repairs, as well as a myriad of other duties all aimed at providing the best customer service possible. Administration and the support staff consistently provide routine and emergency scheduling, budgeting, purchasing, research and resource management to provide the necessary manpower, tools, materials, equipment and available information necessary to properly maintain and operate an outstanding public water system.

Major Objectives

- Provide high quality and abundant water at an affordable rate.
- Meet and exceed all federal, state and local water quality requirements.
- Provide excellent customer service at all times.
- Provide reliable fire service citywide to ensure public safety.
- Replace aging and failing infrastructure in a reasonable time frame to prevent future system failures with exorbitant replacement costs.
- Establish equitable funding methodology to maintain and improve system performance and reliability while limiting debt service.
- Establish standards and policies for proper construction practices and service reliability.

Fiscal Year 2018-19 Accomplishments

- Completion of the Water Rate Study and implementation of a new rate schedule.
- Completion of the Best Hill Booster Station.
- Completion of a new test well on Huetter road paving the way for a much needed municipal well.
- Continuation of professional development to ensure we have the best trained operators in the region.

- Completion of service and main replacement projects ahead of street overlays.
- Completion of one in a series of annual well rehab projects.
- Continuation of the annual meter replacement program.

Fiscal Year 2019-20 Goals

- Construction of the new Huetter Well and related transmission main.
- Acquisition of sufficient water rights to meet peak production demand capabilities.
- Continuation of the Yardley service line replacement project.
- Various water main and large service replacement projects.
- Acquisition of property for two storage facility sites and a new booster station site.
- Conduct and attend annual training necessary to maintain operator licenses.
- Construct a new Water Administration & Maintenance Building to accommodate utility expansion and consolidate operations while freeing up valuable space for other departments.

City of Coeur d'Alene, Idaho Departmental Summary and Description Wastewater Department

Program Description

The City of Coeur d'Alene Wastewater Department provides treatment for municipal, commercial, and industrial wastewater for more than 50,000 residents and associated commercial users prior to discharge to the Spokane River. The Department maintains over 220 miles of public sewer, treating more than 1.2 billion gallons every year, and producing over 5,000 cubic yards of Class "A" compost. The Department employs 27 people who clean, measure, maintain, operate, and administer this service.

Major Objectives

- To provide sanitary sewer for the residents and businesses of the City of Coeur d'Alene while maintaining our pristine Spokane River and clean aquifer.
- Protect the public health and our employee's safety in a fiscally responsible manner.
- Promote public awareness of the importance and value of clean water to our community.
- Think ahead and plan for the future. The City still utilizes many of our original pipes and infrastructure. This type of investment has had huge returns within our community. We utilize modern technology to not only maintain this original equipment but ensure that new equipment has a long, beneficial service life.

Fiscal Year 2018-19 Accomplishments

- Completion of the Tertiary Stage of treatment, providing a "next level" of treatment for our City's wastewater.
- Expansion of our ability to create Coeur d'Green Compost by 30%.
- In the last year, the Wastewater Treatment Facility received 3,623,064 lbs of pollution (CBOD, TSS, Ammonia, and Phosphorous) and discharged 7186 lbs. That's a removal efficiency of 99.8%. The year prior without the benefit of a full capacity Tertiary Treatment Stage, we removed 93% a difference of 238,140 lbs of pollution kept out of the Spokane River.

Fiscal Year 2019-20 Goals

- Complete repairs and upgrades to the collection system including the Fernan Lift Station and "lining" of some of our older sewer lines to extend their usable life.
- Replacement of a "belt filter press" installed in the late 90's that's responsible for drying out the biosolids from about 97% water to 75% water.
- Optimize the treatment process for new permit limitations.
- Investigate disinfection alternatives for effluent water that is discharged into the River.

City of Coeur d'Alene, Idaho Departmental Summary and Description Drainage Fund

Program Description:

This Utility is administered by the Streets & Engineering Superintendent and one FTE, Assistant Project Manager. Utility fees provide the funding for the planning, engineering, construction and maintenance of the city's storm drainage system.

Major Objectives

- ✓ To provide the utility rate payers with efficient and quality service
- ✓ Proactive maintenance versus reactive

Fiscal Year 2018-19 Accomplishments

- ✓ Acquisition of Jet Truck and Skid Steer, which has allowed for an increase in maintenance performed
- ✓ Training to improve the skills and knowledge of staff

Fiscal Year 2019-20 Goals

- ✓ Improve drainage in areas with the highest potential of flood damage or traffic hazards.
- ✓ Assess, update and perform maintenance on aging infrastructure.
- ✓ Reduce the number of city-owned stormwater outfalls to surface waters.
- ✓ Complete inventory and map utilities.
- ✓ Maximize use of funding.
- ✓ Compliance with NPDES permit requirements
