Attach site and/or building plans which illustrate the request.

A variance may be requested from a provision of the zoning ordinance with respect to a modification of the requirements of lot size, lot coverage, width, depth, front yard, side yard, rear yard, setbacks, parking space, height of buildings, or other provisions affecting the size or shape of a structure or the placement of the structure upon lots, or the size of lots.

A variance shall not be considered a right or special privilege, but may be granted only upon a showing of undue hardship because of characteristics of the site and that the variance is not in conflict with the public interest. Prior to approving a variance, the Planning Commission is required to make Findings of Fact.
