## **Agenda**

Call to Order

Conflict of Interest Declaration

Public Comments

### **THE FOLLOWING ITEMS ARE CONSIDERED ACTION ITEMS:**

1. Review/Corrections/Approval of Minutes: May 26, 2020
2. Review/Corrections/Approval of Current Financial Report
3. Commissioner/Staff Comments
4. Debrief on "Unconquered" Installation—Jenn Drake
5. Request from Bruce Anderson re: Street Painting 6th & Wallace Intersection—Troy Tymesen/Chris Bosley
6. "Suffragette" Statue Dedication Update and Approval of Placement —Troy Tymesen/Amy Ferguson
7. Continued Discussion re: Community Art Funding—Troy Tymesen/Jennifer Drake
8. Update on "Inspired" Public Art Sculpture —Troy Tymesen
9. Mural Festival Update—Derek Kahler
10. Update on Utility Box Beautification Project—Amy Ferguson
11. Fiscal Year 2020-21 Budget Discussion—Troy Tymesen/Jennifer Drake
12. Subcommittee Updates—Jennifer Drake

*The City of Coeur d'Alene will make reasonable accommodations for anyone attending this meeting who requires special assistance for hearing, physical, or other impairments. Please contact Amy Ferguson, Executive Assistant, at (208) 666-5754 at least 72 hours in advance of the meeting date and time.*

## ARTS COMMISSION SUBCOMMITTEES

**CHAIRMAN:** Jennifer Drake

**VICE-CHAIRMAN:** Ali Shute

**Mayor's Awards in the Arts**

Ali Shute, Chair  
Trudy Elliott (Advisor)

**ARTS COMMISSION MINUTES**  
**May 26, 2020**  
**City Hall, Conference Room #6**

**Attendees in Person:** Jennifer Drake, Amy Ferguson, Troy Tymesen, Stephanie Padilla

**Attendees via ZOOM:** John Bruning, Teresa Runge, Alyssa Livingston (Student Representative), Lindsey Sichelstiel, Amy Evans, Bev Moss, David Groth

**Guests:** Terry Lee

**CALL TO ORDER:** Chairman Drake called the meeting to order.

**CONFLICT OF INTEREST DECLARATION:** There were none.

**PUBLIC COMMENTS:** There were none.

**REVIEW/CORRECTIONS/APPROVAL OF MINUTES: MOTION: Motion by Commissioner Groth, seconded by Commissioner Shute, to approve the April 28, 2020 minutes. Motion carried.**

**REVIEW/CORRECTIONS/APPROVAL OF CURRENT FINANCIAL REPORT: MOTION: Motion by Commissioner Moss, seconded by Commissioner Bruning, to approve the April, 2020 Financial Report. Motion carried.**

**COMMISSIONER COMMENTS:**

Commissioner Shute commented that, as part of the virtual Artwalk last month, she did a public art tour for people who wanted to get out, but be social distant. She noted that she is really liking the way it is turning out, but needs more information about each piece, including the artist's intent. She is hoping to have enough information by the next Arts Commission meeting that she can show the presentation and get the commission's approval to keep it going. She would also like to add a link to the Arts Commission and Arts & Culture Alliance web pages.

Commissioner Groth commented that the virtual Artwalks are well done. Chairman Drake said that, as terrible as the situation has been, she loves how people have gotten creative to keep things going.

**STAFF COMMENTS:**

Mr. Tymesen thanked the commission for all that they do, and noted that there was a Letter to the Editor in Sunday's paper recognizing art in the community. He also informed the commission that the Council approved the art work and locations for the utility box beautification. There was also a nice article in the paper.

**DISCUSSION RE: PLACEMENT OF “SUFFRAGETTE” STATUE:**

Mr. Lee said that he just retrieved the Suffragette statue from the foundry. He anticipates that the statue will be finished approximately by the end of June.

Mr. Lee said that he met with Mr. Haagenson and discussed his concerns regarding placement of the statue. Mr. Haagenson is fine with the placement now. Mr. Lee noted that it is in line with the other statues on the front row, and there is room on the side for another statue if they decide to do the Navy nurse. Also, a Native American woman is another possibility. Mr. Lee reviewed the language on the plaque and noted that it will be installed on the front base of the statue. On the back of the statue will be a list of the donors.

Mr. Lee said that there have been several fundraisers at his studio and it will be interesting to see the public reaction once the statue is installed. Mr. Lee also reviewed the future placement of the miner and cart.

Mr. Tymesen said that he reached out to Terry Farr, who responded that she was integral to the fundraising and that it was the understanding of everyone involved that the statue would be placed on Front Avenue. It was her understanding that the Suffragette was chosen at this time relative to the 100-year anniversary of women getting the right to vote in Idaho. It was not her understanding that the statues along Front had to do with an “industry” theme. She further noted that the folks who raised the money are totally in concert with the location.

Mr. Lee explained the historical background on the statues on Front, and commented that it started with Dean Haagenson commissioning him to do the “Working Man.” After that, Doyle Jacklin commissioned him to do a farmer with a scythe. At that point, the “light came on” and it was decided that they needed a miner and a lumberjack, both historic industries and important to the City. Mr. Lee was going to do the miner, but was approached by several women who were wondering about a female statue. A Navy nurse was suggested because of Farragut, but then Mr. Lee was approached by individuals who said that the Suffragette would be very appropriate because of the upcoming 100-year anniversary celebrating the 19<sup>th</sup> Amendment. Mr. Lee noted that Idaho was the 4<sup>th</sup> state in the union to allow women to vote. It is part of the history of Idaho, so it fit. A Native American female has also been suggested. Mr. Lee said that he calls the statues a “history walk,” and thinks people will enjoy going from statue to statue and reading all of the plaques.

Commissioner Shute commented that Mr. Lee would like the commission to decide the date of the celebration and dedication ceremony. She suggested Tuesday, August 18<sup>th</sup>, because that is the actual 100-year anniversary that the women’s right to vote was signed into law. The commission agreed that it would be an appropriate date.

[Mr. Tymesen suggested that a vote on the placement of the Suffragette statue be placed on the agenda for next month’s meeting.]

**UPDATE ON “UNCONQUERED” INSTALLATION:**

Mr. Tymesen said that the dedication of “Unconquered” will be on Wednesday, June 3<sup>rd</sup>, at 4:00 p.m., at the location of the 1,800 lb. bronze statue in Riverstone Park. He commented that the grizzly statue is going to be on rock as if it were coming out of a creek bed. Mr. Tymesen commented that Mr. Pinkerton has been very engaged in the placement and orientation of the statue, and that the City’s concrete team has been assisting.

Chairman Drake asked the commissioners to attend the dedication if they are available.

**CONTINUED DISCUSSION RE: COMMUNITY ART FUNDING:**

Mr. Tymesen said that the funding for community art projects can be done with the Public Art Fund. The ignite funds are for “solid art,” and not for performing arts. Chairman Drake said that the commission can’t use any other art funds other than the 1% fund to pay for community arts funding, and that the reality is there is not enough money in that fund for them to feel comfortable. She noted that every time the commission funds a grant, the recipient would naturally want it the next year, and the fund does not have enough money to be sustainable.

Mr. Tymesen said that it is possible to put a few thousand dollars into the budget for some smaller projects and maybe try to tighten up the criteria on what the grants are used for. Chairman Drake suggested that the subcommittee get together to discuss if they want to move forward with some sort of grant funding, and put in some limits and guidelines for the funding. She will provide an update at the next meeting.

**UPDATE ON “INSPIRED” PUBLIC ART SCULPTURE:**

Mr. Tymesen said there was no update. He noted that he will probably be going to visit the artist’s studio in person. He will also check out the artist’s Facebook page and see what is going on.

**MURAL FESTIVAL UPDATE:**

Commissioner Shute said that Commissioner Kahler will send an update to the commissioners. Chairman Drake commented that the mural festival will most likely have to be postponed.

**STATUS UPDATE ON UTILITY BOX BEAUTIFICATION PROJECT:**

Mr. Tymesen said that 15 utility boxes have been approved by the Council for new artwork. He expressed appreciation to Ms. Ferguson for the staff report and thanks to the selection committee members who helped to pick out the artwork. Staff will be working with TDS and CartWraps to get the utility boxes wrapped.

**FISCAL YEAR 2020-21 BUDGET DISCUSSION:**

Mr. Tymesen reviewed the proposed Arts budget for 2020-21. He suggested a couple of new art projects in the East Sherman area. Chairman Drake said that there aren’t any surprises, and nothing that hasn’t been discussed before. She noted that the budget will be finalized in the next couple of months. Commissioner Groth asked about the \$6,000 budgeted for repairs on the Under the Rainbow arch. Mr. Tymesen said that the large portion of that amount would be for new equipment to update the antiquated controller. Most of the electrical work will probably be done at no cost.

Mr. Tymesen said that the commission can take an official vote on the budget at the meeting next month, after the grant subcommittee has had an opportunity to meet.

### **SUBCOMMITTEE UPDATES:**

Mayor's Awards in the Arts: Commissioner Shute said that the event has been tentatively scheduled for October 7<sup>th</sup>. Mr. Shirley at the Resort was hesitant at this point to firm up the date because of conferences that are rescheduling their dates, but he will probably know by the end of this month. The announcements for the nomination packets have gone out, and they were also sent out in the ArtBlast from the Arts & Culture Alliance.

Commissioner Shute said that one of the things she was thinking about was that last year they had some pretty good public input, so she was wondering if the commissioners wanted to wait to submit their proposals in order to see what the public produces first. Ideally, they would like the commission to choose from nominations that have come from the community. Chairman Drake commented that the reason they made it a requirement that each commissioner submit at least one nomination is that there were a few years when the nominations received were incredibly scanty. There has been a much healthier response the last couple of years. Ideally, it would be the commission selecting from what has been nominated by the public.

Performing Arts: Commissioner Groth said there was no update. Chairman Drake commented that there is a discussion happening about what the City might do to help businesses downtown and a potential street closure. If that does happen, they might have to have an emergency Performing Arts subcommittee meeting, as the closure might afford unique opportunities to do some new things, or to control some of the things that people are asking to do. They will know more after the June 2<sup>nd</sup> council meeting.

Ped/Bike Brochure: Commissioner Moss that that once everything is opened up, the subcommittee will work on the brochure. She commented that they should have an update at the June meeting.

Storm Drain Art: Commissioner Groth said that the elementary schools have art designs, but they won't be able to get together to do the storm drains until the fall.

Plaques: Commissioner Shute said that she has not been able to identify the plaques that are needed. Commissioner Moss said that she has a list, and will get the data to Commissioner Shute. Chairman Drake said that the commission has discussed doing it in stages.

Four-Corners: Mr. Bruning said that his questions have been answered, and he drafted the introductory paragraph for the call. He will get together with Ms. Ferguson to get the call drafted.

**ADJOURNMENT: MOTION by Commissioner Shute, seconded by Commissioner Moss, to adjourn. Motion carried.** The meeting adjourned at 4:45 p.m.

Respectfully submitted by:

Amy Ferguson  
Executive Assistant

**Subject:** Re: Letter from Bruce Anderson re: 6th & Wallace Intersection street painting intersection project

I'm gathering crash info from the Police Department now, but my other source only shows two crashes in the past 5 years. I'm not sure that qualifies as "numerous" as it reads in the letter, but I will gather what information I can. I'm certainly not opposed to street painting, but those who engage in this need to understand that it doesn't last very long in our climate. That intersection may be low enough traffic that it will last a little longer, but the painted crosswalks on East Sherman didn't make it a year.

Also, we will need to discuss the requested "SLOW DOWN" signs. That would set a precedent that all neighborhoods would want them and I strongly feel that they will do very little to slow cars down. That said, I will gather what I can and send it your way.

Thanks,

**Subject:** Letter from Bruce Anderson re: 6th & Wallace Intersection street painting intersection project

Hi Chris! Attached is a letter that we received from Bruce Anderson, L.S., Land Boundary Consultant, on behalf of the owners of the lots adjoining 6<sup>th</sup> & Wallace, in regard to a proposal for a street painting intersection project at 6<sup>th</sup> & Wallace in an effort to slow down the traffic in the area.

Troy has asked that this item be placed on next month's Arts Commission agenda, and he asked that you provide me with background information before the meeting regarding traffic accidents and concerns in that area. If you could please provide me with the information within the next couple of weeks, I would appreciate it. Thanks so much, Chris! Ames

May 26, 2020

City of Coeur d'Alene  
Commission of the Arts

Dear Chairman Drake and the Honorable Members of the Arts Commission,

We present a conceptual idea for your input and approval for a street painting intersection project. This would be similar but different from the art projects approved for the recent wraps of utility boxes. This project would entail painting a mural on the pavement at the intersection of Sixth Street and Wallace Avenue, the epicenter of the "Garden District," with a community garden in the immediate vicinity, and a plethora of garden folks living in the district. For context to our proposal, Portland, Oregon has quite a number of examples of street pavement art where I first saw and was intrigued with the concept.

Another reason to allow this project is to slow down the traffic in an area with a multiplicity of active children since they are not in school. They are out on their bikes, skateboards, scooters, some in the street and some on the sidewalk crossings areas. I can testify that there are times when I have observed vehicles traveling at speeds approaching or exceeding 50 miles per hour. This intersection has been the location of numerous vehicle accidents, and we think that this project and other neighborhood projects may help slow down the traffic.

In accordance with City Ordinance 3571 Section 1.40.020 Definitions, under PUBLIC ART Section A it states that "Works of art may also be located on any publicly owned property."

In accordance with the Arts Commission Minutes, dated April 28, 2020, apparently there are two appropriate subcommittees that could review our proposal, being the Mural Projects and/or the Storm Drain Art.

Our proposal limits the liability of the city to zero. If we are allowed to continue with this project, we realize that from time to time, the city will need to repair, install water, sewer or other infrastructure projects at this intersection. We want to make it very clear that the adjoining owners and neighbors accept full responsibility to repaint and/or repair the condition of the street art.

With all the children in the neighborhood, we would also like to place "SLOW DOWN" type signs on or near the street rights-of-way. We have discussed requesting the use of street speed bumps, but would like to pursue the street art as a first response. Your assistance in approving this project will be greatly appreciated. Thank you for your time.

Sincerely,

Bruce Anderson, LS

Land Boundary Consultant
