Although projects may be identified for approval and funding, **NO** commitments by contract or other means of obligation may be authorized until the City receives the annual award agreement from HUD.

The City would prefer (but does not require) that projects be completed within 12 months of the award of project funding. Because projects may be affected by various circumstances, it is **very** important that an applicant submits a reasonable time schedule for their project with a maximum project completion time of 2 years.
