When "Pappy's Bell" at the Veterans Memorial was fractured in McEuen Field on October 22, it shattered a piece of history that has been part of the memorial for decades. It's a community tragedy to have this happen this close to Veterans Day. A parks department employee discovered "Pappy's Bell," which was donated to the city by Charles McMurray (McMurray was known as "Pappy" to relatives). The Veteran's Bell had been substantially damaged after what appears to have been an unfortunate accident. Something like this happening so close to the day our veterans will be at the Plaza to be honored for their service to the country is not going to be accepted by the community. The community has wasted no time and began a fundraiser to help with the extensive repairs. The nonprofit, Panhandle Parks Foundation, Inc. (501 c 3), will hold the restricted funds. All donors will receive a receipt for their tax records. THANK YOU!
