ANIMALS RUNNING AT LARGE:

It is unlawful for the owner or custodian of any animal, except domestic cats, to allow such animal to run at large. The owner or person charged with responsibility for an animal found running at large shall be strictly liable for a violation of this section regardless of the precautions taken to prevent the escape of the animal and regardless of whether or not he/she knows that the animal is running at large. Animals are considered running at large if they;

- A. Leave their residential property unrestrained on a leash no longer than ten feet (10') in length, of sufficient strength to restrain the animal, and in control of a person of sufficient age and physically able to restrain and control such animal;
- B. Are allowed to trespass upon the property of another by way of damage or destruction of a mutual fence line;
- C. Are left unattended in a vehicle in a manner that allows any part of the animal to hinder the public's use of or access to any place that the public may lawfully be;
- D. Are herded on or across city property without city approval; or
- E. Are chained, staked out, or otherwise tethered on or attached to any public property, sign, or structure or in a manner that allows the animal to go beyond the owner's property line or onto public right of way. (Ord. 3383 §2, 2010)

LICENSE TAG;

- A. Upon receipt of a complete application and payment of the license fee, a certificate and tag will be issued for each dog licensed. The tag will be stamped with the license number on the certificate. The owner must attach the tag to the collar or harness of the dog and see that the collar and tag are constantly worn by the dog when it is off the owner's real property.
- B. License tags are not transferable from one dog to another or from one owner to another. No refunds will be made on any license fee for any reason whatsoever. Replacement tags may be obtained upon payment of the established fee.
- C. Removing or causing the removal of a collar, harness, or tag from any licensed dog without the consent of the owner or keeper of the dog is prohibited, except by:
 1. A licensed veterinarian or employee of a veterinary hospital or clinic who removes the tag for medical reasons; or
 2. An animal control officer who removes the tag as part of his or her official duties.
- D. Any dog found running at large without a valid tag will be presumptively considered unlicensed unless the owner or custodian can provide proof of a current valid license. (Ord. 3383 §2, 2010)

If animals are allowed, the owner or custodian of the animal must comply with all animal regulations of the city park, play field or other property. The city council may, by resolution, allow animal exhibitions or shows in city parks and establish rules and regulations governing animals when allowed in any city owned, leased or maintained beach, natural area, park, playground or play field park or play field. - A. A service animal belonging to a person who is physically incapable of removing and disposing of the animal waste. (Ord. 3383 §2, 2010)
