### HIGHWAY 95 SOUTH FROM NORTHWEST BLVD TO MISSILE BASE ROAD (5 AM TO 6:30 PM)

Traffic on US95 will be impacted by IRONMAN Coeur d'Alene. All roads will remain open, but traffic will be delayed due to flagger controlled intersections along the course from Missile Base Road, just north of the US95 - SH58 interchange, at milepost 408.26 to US95 bridge across Northwest Blvd. at milepost 429.61. Northbound traffic on US95 will be diverted to the southbound lanes creating two way traffic in the southbound lanes between these mileposts. The bike course will take place in the northbound lanes of Hwy 95 with no vehicle traffic allowed in the northbound lanes between these mileposts. All major intersecting roads to US95 will be flagger controlled crossings which could cause delays. Speed limits on US95 will be reduced to 45mph during race hours and parking on the shoulder will be prohibited. Also, wide load restrictions will be in place on this portion of US95.

### COEUR D'ALENE LAKE DRIVE FROM SHERMAN TO HIGGINS POINT BOAT LAUNCH (5 AM TO 4 PM)

Traffic will be impacted on Coeur d'Alene Lake Drive from Sherman to the Higgins Point Boat Launch during the bike portion of IRONMAN Coeur d'Alene. Peak hours will be from 7 AM to 4 PM. There will be traffic delays with limited access as cyclists will be in both north and southbound lanes.
