QUESTIONS? 208/769-2266

**What do you love about Coeur d'Alene, and North Idaho?** My favorite part about CDA and North Idaho would be the access to the outdoors. The variety of things to do outside in this area is fantastic. There are plenty of opportunities for skiing, hiking, mountain biking, fishing etc. all around us.

**What about your family and interests?** I have family throughout both the Inland Northwest and the Midwest, which is a nice feature. My interests are, as I mentioned, mainly the outdoor activities that are so abundant around here
