## Please tell us what you think about the Activate East Sherman Pilot Project!

Visit <https://www.surveymonkey.com/r/GG8QX55> to take the online survey from September 24-October 28. The City of Coeur d'Alene and CDA 2030 will collect project feedback from community members on the Activate East Sherman Pilot Project on the 1600 block of Sherman Avenue. Community responses will provide necessary feedback for finalizing the master plan.

## Art in Motion Walking & Biking Tour Highlights CDA Public Art

Residents and visitors alike will benefit from the newly edited Art in Motion brochure that features some of the amazing public art in Coeur d'Alene. Whether you're walking or cycling, you can wind your way through the downtown area, past some residential

**education and experience:** I started taking anything I could get my hands on apart as early as I can remember. I took a job in an appliance repair shop at 13, worked for Skyhill Ranch through junior high and high school repairing everything I could, went through the North Idaho College Automotive program, then became one of three partners in a repair shop. After five years with partners, I decided it was time to own and operate my own business, which I did until I took a break to build myself a house, and then I came to work at the City.

**What interested you in a career with the City of Coeur d'Alene?** I read the diverse job description and saw it as an opportunity to apply the many different skills and experiences I had been collecting up to that point.

**What are your current job responsibilities?** I oversee the maintenance and repair of the vehicles and equipment owned and operated by the City of Coeur d'Alene.

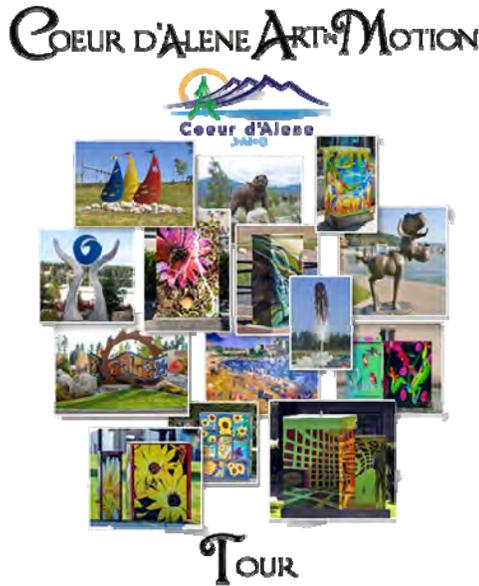

**What does customer service mean to you?** Customer service means trying to ensure, with the help of Carl, Brandon, Bob and Jeremy, that

neighborhoods, and out towards Riverstone, stopping along the way to appreciate the many pieces on display. The new brochure was created through the efforts of the Coeur d'Alene Arts & Culture Alliance and City of Coeur d'Alene staff, and was made possible through a 2018 Local Community Service Grant from the Coeur d'Alene Rotary Club. The

brochures can be picked up at City Hall, the Chamber of Commerce, and various locations in the downtown area. An electronic version is also available at <http://maps.cdavid.org/art>.

everyone that brings us a vehicle or piece of equipment for maintenance or repair feels that the project they brought to us received the attention that they feel it deserved.

**What about your family and interests:** Along with a great group of friends and extended family, I have shared my home with Deneen for 28 years now and we are very proud of our 23 year old son, Axel, and our 22 year old daughter, Avery. My interests include, among many other things, building and creating in both two and three dimensions, listening to music, and managing the little piece of timberland I get to call my own.

### Saturday with the Symphony, October 27

Members of the Coeur d'Alene Symphony orchestra will play classical music in a program just right for children on Saturday, October 27, from 12 noon—1 p.m. After the short program, children can get up close and personal with musicians to find out what it is like

to play an instrument. For more information, call 208-769-2315.
