## DESIGN REVIEW PLAN CHECKLIST

Notice to all applicants: This checklist is designed to provide the basic information needed to allow the design review staff of the City to complete a plan review of the proposed project. The basic requirements outlined below may not be all inclusive.

General Requirements for all plan submittals: One (1) 8 ½ X 11" and one (1) large format copy to scale (*not smaller than 1" = 30'-0"*, unless otherwise approved) must be submitted.

### Site Plan: (*must include*)

- North arrow, scale of drawing, property lines;
- Existing and proposed structures, site amenities;
- Adjoining streets, alleys and private drives;
- Parking layouts, including dimensioned: spaces; accessible routes; drives; circulation patterns; and pedestrian walks;
- Bike parking
- Location of proposed on-site retention;
- Existing or proposed utility service location(s);
- Locations and widths of right-of-ways; easements; canals; ditches;
- Locations and sizes of any loading area; docks; and ramps;
- Trash storage areas and exterior mechanical equipment with proposed screening method;
- Concept for exterior lighting (pedestrian; vehicle; security and decorative);
- Sign locations, if known;
- Location of existing traffic and pedestrian circulation on project site and adjacent properties;

### Landscape Plan: (*landscaping and site may be combined and must include*)

**\*Note:** *If site and landscape plans are combined on one sheet, one (1) 8 x 11 ½ and one (1) large format to scale must be submitted).*

- Type and location of all plant materials and other ground covers;
- Existing vegetation (landscape on adjacent property lines to be considered);
- Method of irrigation;
- Cross-sections through areas of special features; berming; retaining walls; etc.,

**Building Elevations:** *(must include)*

- Accurate colored rendering describing colors and finishing *(colored photos may be submitted for colored drawings when an existing structure is to undergo minor exterior alterations or the photo correctly depicts the design/materials/colors of the new building).*
- All proposed building materials
- Screening/treatment of mechanical equipment
- Lighting fixtures and locations

*\*Optional submittals **Building Material Samples and Colors**, and any other (paving, texture, etc.)*

*\*Any additional information that will aid our understanding of the total project.*
