ROLL CALL: Miller Aye; McEvers Aye; Gookin Aye; English Aye; Wood Aye; Evans Aye. **Motion Carried.**

PUBLIC COMMENTS:

Cheryl Bersch spoke in opposition of the proposed closed fist statue, noting that the hand symbol represents communism. She recommended reading a book about life in Shanghai.

Roselyn Sgaretas spoke in opposition of a fisted hand art peace. She expressed concern that freedom will become extinct, noting that it represents something that is against her country and believes it leads to communism.

RECESS: The Mayor called for a recess at 6:18 p.m. The meeting resumed at 6:25 p.m.

Megan Slawson noted that the vision statement of the Arts Commission states that citizens are committed to build an exceptional collection of public art; art that defines the community, distinguishing it from others, complimenting Coeur d'Alene's many attributes and serving for prosperity. She spoke in opposition of the "Solidarity" piece, noting it was divisive and expressed disappointment at the Arts Commission's discussion regarding the controversial piece.

Joe Alfieri, spoke in opposition of the clinched fist art, the origin and meaning is with a purpose of communism and a hidden meaning. The closed fist has been used as a symbol of revolutionaries for years and the contemporary use of the black lives matters movement. He felt that current images are used without an understanding of its history. He requested the Council reject the recommendations of the Arts Commission.

Laura Van Voorhees spoke in opposition of the closed fist art piece, noting it is a symbol of communism and supported the previous comments made this evening. She felt the Arts Commission's behavior was very disrespectful and dismissive of the public.

Tony Wisniewski spoke in opposition of the art piece, noting that his father was in the Polish Army and fought for 6 years, and he has personally witnessed a Country being handed over to communism. He urged the Council not to place the statue in Coeur d'Alene.

Rachael Nunya noted that the requiring address policy is an intimidation tactic and should be dropped to avoid lawsuits. She spoke in opposition of the clench fist artwork as it is a symbol of the communist system and other sick practices. The public art displayed should be pleasing to the public instead of repugnant.

Justin O'Connell, expressed displeasure of the government being involved in art purchase and displeasure with the Otocast app.

Alan Golub noted that he is an artist who had the great honor to do the memorial for Greg Moore and to travel to New York and meet the family of Bryan Moore who was shot in the face. Since

that time, he has done art to honor police, fire and tribal members across the Country. He presented the flag of Black Lives Matter he saw flying in Portland depicting the closed fist symbol. He noted that this is the same group that caused hundreds of public safety members to be harmed across the cities and would not want that symbol in our city.

Mike Gridley noted that the Art on the Green event is coming this weekend, noting that this is one event of many that make this a great place to live. He believes that people come here because the people are all nice and respectful. He also noted that the "North Idaho Rejects Hate" shirts were given out within 24 hours a few weeks ago. So, they are hosting another t-shirt give away this Friday and Saturday in front of the Human Rights Education Institute.

Mary Smith noted that she wanted to talk about building heights, but due to the seriousness of art discussion tonight she just wanted to express her opposition to the art piece.

Jennifer Drake noted that she is a member of Arts Commission and felt that the majority of the people are willfully ignoring the artist's intent, reiterating the title of the piece is "Solidarity." She noted the artist's intent statement explains that the piece is in support of oppressed people and those that stand with marginalized groups. It is made from reclaimed metal, using the earth resources responsibly. She noted that the Arts Commission understood it would be controversial; however, they felt there would be people that would appreciate it. She expressed disappointment with the disrespect toward the volunteers of the Arts Commission, and explained that the process for approval is to go through a selection committee, then to the Arts Commission and on to the Council for final discussion and approval. The Council has the authority to approve or disapprove the recommendations and she hopes it is just determined for the right reasons.

Wendy Smith apologized for coming up to the stage, noting that she was unaware of the address requirement and requested that the policy be reviewed for future meetings. She referenced her child as a person of color, who she is speaking for tonight. She noted her opposition to the raised hand art piece as it is a symbol of violence, communism, and Black Lives Matter and devalues our police officers.

Mike Kemp spoke in opposition of the art piece noting he supports the comments previously made. He noted that he didn't see the artwork displayed anywhere in advance of the meeting and would like to see it better publicized in the future.

Brook Miller stated that she is a 48-year resident of the community and has two children of color and found it difficult to understand the meaning of the closed fist. She researched its meaning and feels it is divisive and based on its history she would not want it in the community. She remembers that in the 1980's the clenched fist was also a symbol of white power that the community worked to get rid of, so she is in opposition of the piece.

Randy Neal expressed concern over the requirement to provide an address in order to give public comments. He noted that he is a 4th generation Idahoan and remembers that the Kootenai County Taskforce and Police worked hard to get Richard Butler out of Coeur d'Alene; therefore, he believes this type of hateful symbol should not be here.

Mike Birdsong expressed concern over having to provide his address. He spoke in opposition of the piece, noting that he agrees with previous comments. He noted that he is a veteran and this art piece expresses hate and other art can be very beautiful. Freedom of speech is what makes America great but symbols of hate would be disrespectful.

Marty Martin spoke in opposition of the art piece as it relates to the history of communism. He compared the art to a sculpture of Hitler and expressed interest in an art piece of Sam Adams.

Brad Cree spoke in opposition of the closed fist art piece. He noted that he is a veteran as well as other family members. His dad taught him to be considerate, honorably defended the flag, and protected others' rights. He offered to purchase the piece for \$1,000 and display it under his conditions.

Lynda Putz spoke in opposition of the piece as it is a common symbol of communism. She noted several comments made by elected officials in support of the piece. She further noted that the art piece symbolizes hate and expressed disappointment with the Arts Commission.

Norman Leffler noted that he is a retired doctor and has lived in the community for 22 years. He further stated that he served in the cold war and has been in art museums across the world. He suggested that tax money be spent on items other than sculptures. He believes the Arts Commission doesn't know about art and they should be educating the young people, studying art history, and have the library have a celebration of art. He suggested putting a wing onto the museum for art. He noted that Spokane Valley has a heritage museum exhibit with a Smithsonian exhibit. He reiterated that he is in opposition of the fist art piece as it is a communist symbol.

Kenny Moore expressed concern that public money was spent on an art piece in 2000, and it didn't work. He felt that the Artwalk pieces were not very impressive and the Committee should choose better pieces. He noted that the Council should make this right for the community as they have the authority.

Bill Green noted that a lot of people look to the United States as an inviting place as we are a free society. He expressed that art is an amazing experience in the world and always has meaning and can lift people's spirits and sometimes may give courage beyond our senses. He felt that art should represent the values of the community and be inspirational. The symbol of the fist is based on the notion that government is all wrong, but our society states that the government is for the people and honest respectful debates.

RESOLUTION NO. 22-033

A RESOLUTION OF THE CITY OF COEUR D'ALENE, KOOTENAI COUNTY, IDAHO, APPROVING A CONSTRUCTION MANAGER/GENERAL CONTRACTOR (CMGC) CONTRACT WITH CORE WEST, INC., IN THE AMOUNT OF \$40,000.00 FOR PRE-CONSTRUCTION SERVICES FOR THE POLICE DEPARTMENT BUILDING REMODEL AND EXPANSION.

Staff Report: Police Captain Dave Hagar noted that the Council previously approved \$4,500,000 in American Rescue Plan Act (ARPA) funds for the remodel and addition to the Police Department Headquarters Building. In February of this year, the City advertised a RFQ for Construction Manager/General Contractor (CMGC) services and, while there was some interest, the City did not receive any Statements of Qualifications. Based on this, the Police Department consulted the City's Legal Department (Legal) and was informed that it could engage directly with any qualified provider and negotiate a contract. The Department began with CORE West, Inc., a national firm that specializes in municipal buildings and, specifically, public safety buildings. The Department met with representatives of the firm both in-person and virtually several times and has included Building Maintenance Division staff in these discussions. The Department has also worked with Legal in reviewing the contracts. The firm is well-qualified and has already offered several suggestions and alternatives to reduce costs and maximize the value of the proposed remodel and additions. Pre-construction services include consultation with the City and the Architect on procedures, progress, coordination, and scheduling; advice on proposed site use and improvements, such as selection of materials, building systems, and equipment; recommendations as to constructability, availability of materials and labor, time requirements, and other factors; preparation of a project schedule for phased construction; preparation of cost estimates and procurement schedules; and preparation of value engineering options.

MOTION: Motion by Wood, seconded by Evans, to approve **Resolution No. 22-033**, Approving a Construction Manager/General Contractor (CMGC) Contract with Core West, Inc., in the amount of \$40,000, for pre-construction services.

ROLL CALL: McEvers Aye; Gookin absent; English Aye; Wood Aye; Evans Aye; Miller Aye. **Motion carried**.

RESOLUTION NO. 22-034

A RESOLUTION OF THE CITY OF COEUR D'ALENE, KOOTENAI COUNTY, IDAHO, AUTHORIZING SIX (6) ART DISPLAY AGREEMENTS, EACH FOR A TERM OF ONE-YEAR WITH THE OPTION TO EXTEND FOR AN ADDITIONAL ONE YEAR, FOR NEW ART PIECES PURSUANT TO THE 2022 ARTCURRENTS PROGRAM.

Staff Report: Stephanie Padilla, City Accountant noted that the Public Art Program Policy, adopted by the City Council pursuant to Resolution No. 00-101, on November 2, 1999, amended by Resolution No. 08-017, and further amended by Resolution No. 17-027, on May 2, 2017, designates the Coeur d'Alene Arts Commission (Commission) as the standing committee charged by the City Council to oversee the Public Art program. Oversight responsibilities of the Commission include selection of art for display on public property around the City through the ArtCurrents program. A "Call to Artists" was published through CaFÉ, and was open to local artists residing in the states of Idaho, Montana, Utah, Wyoming, Washington, Oregon, and the Canadian Province of British Columbia. The criteria required that the submitted art pieces be a minimum of 36" high, that the artist provide a photo of the front and back of the art piece, and include a brief explanation of, and inspiration for, the piece. The call closed on July 8, 2022, and a total of eleven (11) art pieces from nine (9) artists were submitted. The Arts Commission is

recommending to Council the following six (6) of the selected pieces: "Mi Paloman II (Dove)" by Lin McJunkin; "Reins" by Francis Fox; "O'Keefe 8" by Patrick Sullivan; "O'Keefe 9" by Patrick Sullivan; "Responding to a Rival" by Jason Paul; and "Solidarity" by Rick Davis. The newly selected ArtCurrents pieces will be displayed for a maximum of two years beginning in October 2022, and concluding in September 2024. Each artist will receive \$1,000 per art piece for each year the art is on display. Funding for the ArtCurrents program comes from ignite cda. The total budgeted amount for the ArtCurrents program is \$20,000, over a two-year fiscal year budget (\$10,000 for each fiscal year). Ms. Padilla noted that Council could pick and choose which piece they would like included in the ArtCurrents program.

DISCUSSION: Councilmember Evans asked Ms. Padilla to explain the process and its use of community volunteers, with Ms. Padilla explaining that the first committee was a group of citizens consisting of five (5) volunteers who reviewed the art and verified that the art qualified and considered the size. They presented their findings to the Arts Commission, who made the final recommendation to Council. Councilmember Evans noted it is important for a citizen to express their interest in serving on one of the commission or committees. Councilmember McEvers clarified that the City is not buying the art, that it is on loan and others can buy the art. Councilmember Miller noted that the artist's intent and story behind the pieces is a part of the program and asked how the public can read and access the artist's intent statement. Ms. Padilla noted that the website contains all the information. She clarified that the Commission was waiting for a Council decision before they posted the pieces to the website and could probably release them sooner in the future. Councilmember English suggested a QR code on the plaque at each location that could access the art information. Councilmember Wood noted that they have listened to a lot of testimony and it is a difficult position for the Council to determine what art should be available, the same with books, music and doesn't believe censorship is the role of an elected official. She does think the art should not be divisive or cause people pain and believes the artist intended on promoting solidarity. Councilmember Wood clarified that she does not like censorship and works with the Idaho Human Rights Taskforce, who in the past had spoken in opposition to the "Hammer and Sickle" piece because of how it made people feel, and this reminds her of that. She noted that there are great suggestions given tonight and maybe an offer of a private exhibit for these types of pieces would be a good compromise. Councilmember English noted that he appreciates the discussion and has respect for veterans and police; however, felt that it was good to look at the artist's intent. He noted that the symbol has been used for different things over the years and can be inspirational and believes that the six (6) pieces are great recommendations and with the intent it is appropriate the piece be a part of the recommendations. Mayor Hammond noted that his four (4) oldest brothers served in the military and two (2) friends served in Vietnam and they shared their stories and felt that he would not want a piece if it caused any disrespect toward the vets or those who have experienced communism. The Mayor encouraged the Council to pull the "Solidary" piece. Councilmember Gookin noted that there were several emails in support of the art piece as a welcoming community; however, Gandhi said "You can't shake hands with a closed fist." Councilmember Miller noted she appreciated different views; however, she was disappointed with disrespectfulness. She did note that she agrees with funding other forms of art. She also noted that she researched definitions of the symbol, and it was also defined to express unity, strength, or resistance. Nelson Mandela and his wife used the closed fist as a symbol of the struggle of Apartheid, so there are a lot of ways to view a piece of art. She did feel that there is a lot of

divisiveness in the community and wonders if it is worth it to approve a piece that is causing additional divisiveness. Councilmember Evans agreed with Councilmember Miller and wanted to acknowledge the work of the Arts Commission, noting that they are truly working to pick pieces for the community to enjoy and they were basing their recommendations on the intent of the artist and they would not want to bring a piece that would bring future divisiveness. Councilmember English concurred that he would not support the piece if it is intended to be a communist symbol, and he will not vote to remove it because he doesn't believe it is intended to be a communist symbol. Councilmember Wood noted that she is not in a position of censorship and asked if the Commission could consider a private exhibit of the piece somewhere. Councilmember Gookin noted that he is against censorship but felt that this is a process and the Council is just making a decision on what to display, that the artist is not being inhibited from selling the piece, nor displaying it at a private gallery. Councilmember McEvers recalled that when the feathers art pieces on Northwest Boulevard were placed, they were opposed. He noted that the terms disrespect and divisiveness were used throughout the night and thinks the piece doesn't fit.

MOTION: Motion by Gookin, seconded by McEvers, to approve **Resolution No. 22-034**, Approving the Selection of New Art Pieces for the 2022 ArtCurrents Program, and Authorizing Execution of the Art Display Agreements with the exception of the "Solidarity" piece.

ROLL CALL: Gookin Aye; English No; Wood Aye; Evans Aye; Miller Aye; McEvers Aye. **Motion carried**.

RECESS: The Mayor called for a recess at 8:01 p.m. The meeting resumed at 8:12 p.m.

RESOLUTION NO. 22-035

A RESOLUTION OF THE CITY OF COEUR D'ALENE, KOOTENAI COUNTY, IDAHO, APPROVING A PROFESSIONAL SERVICES AGREEMENT WITH KELLER ASSOCIATES FOR THE INDEPENDENCE POINT STORMWATER IMPROVEMENTS.

STAFF REPORT: City Engineer Chris Bosley explained that in 2021, the City of Coeur d'Alene was awarded \$695,000, from the Idaho Department of Environmental Quality for the Building Idaho's Future grant (now called the Leading Idaho Subaward Program). The goal of the program is to fund projects that will reduce phosphorus loading into Lake Coeur d'Alene. The City was awarded funding for three (3) stormwater reduction projects in three (3) separate drainage areas: Mullan Road, Sanders Beach/11th Street Marina, and Independence Point. Independence Point is the largest of the three with approximately 131 acres draining to the outfall. Staff met with Keller Associates to discuss this project and prepare a cost estimate to perform a hydraulic analysis of the stormwater entering Lake Coeur d'Alene. This would likely be accomplished through a combination of swales and subsurface storage/filtration units, but will be ultimately determined during design. The cost for the design is \$36,900, which would be funded through the IDEQ grant.

DISCUSSION: Councilmember McEvers asked about the amount of space available for the project. Mr. Bosley clarified that it is about 1/3 of the size of the US 95/Northwest Boulevard project, which doesn't have the open space to make a huge swale, so they are looking at other options like R-tanks and dry wells.

MOTION: Motion by Evans, seconded by Miller, to approve **Resolution No. 22-035**, Approving a Professional Services Agreement with Keller Associates for the Independence Point Stormwater Improvements.

ROLL CALL: English Aye; Wood Aye; Evans Aye; Miller Aye; McEvers Aye; Gookin Aye. **Motion carried**.

RESOLUTION NO. 22-036

A RESOLUTION OF THE CITY OF COEUR D'ALENE, KOOTENAI COUNTY, IDAHO, ESTABLISHING A NOTICE OF TIME AND PLACE OF PUBLIC HEARING OF THE PROPOSED BUDGET FOR FISCAL YEAR 2022-2023, AND INCLUDING PROPOSED EXPENDITURES BY FUND AND/OR DEPARTMENT, A STATEMENT OF THE ESTIMATED REVENUE FROM PROPERTY TAXES AND THE TOTAL AMOUNT FROM SOURCES OTHER THAN PROPERTY TAXES OF THE CITY FOR THE ENSUING FISCAL YEAR, AND A LISTING OF EXPENDITURES AND REVENUES DURING EACH OF THE TWO (2) PREVIOUS FISCAL YEARS, AND PROVIDING FOR PUBLICATION OF THE SAME.

STAFF REPORT: Comptroller Vonnie Jensen explained that Idaho law requires that the City Council approve an appropriations ordinance each year. The purpose of the ordinance is to establish a ceiling for expenditures and disclose the potential property tax revenue necessary to balance the budget. The financial plan or budget is the guide and detailed report for establishing these numbers. The Financial Plan is an estimate of revenues and expenditures for the upcoming year. The expenditures are classified by department as well as by fund or service, and the revenues are classified by source. Included in the budget document pursuant to Idaho Code § 50-1002 are actual revenues and expenditures from the prior two (2) fiscal years, budgeted revenues and expenditures for the current fiscal year, and proposed revenues and expenditures for the upcoming fiscal year. The revenue includes 27,114,123 in property tax revenue – an increase of \$2,560,166 over the previous year. The increase comes from the closing of the Lake Urban Renewal District and new growth throughout the rest of the City. Therefore, she requests Council approval to set the public hearing date and set the high dollar amount of \$123,852,624 in expenditures for the 2022-2023 Fiscal Year Financial Plan (Annual Appropriation). She noted that the City has not yet received new growth numbers from the County. The resolution does include the 3% and estimated new growth to account for what the County may provide. She explained that the City is expecting less funds with the Urban Renewal District closure and the citizens would receive a \$1 Million return from the district closure.

DISCUSSION: Councilmember Miller asked if the remaining ARPA dollars have been earmarked or can it be moved to other uses. Ms. Jensen clarified that it is completely undesignated other than the Police Department project. Councilmember Wood asked if the funds

could be used to fund some of the capital requests in order to free up other money for personnel. Councilmember English asked if there were other Federal funds coming in the future. Ms. Jensen noted that she heard there were some funds going to the state for water and wastewater projects, but doesn't know of any for local governments. Councilmember Gookin wanted to clarify that the remaining ARPA money should be spent at Council's discretion. Councilmember Miller noted that future housing projects could get more points on grants if there are some ARPA funded matching funds.

MOTION: Motion by McEvers, seconded by Miller, to approve **Resolution No. 22-036**, Setting the Preliminary Budget for 2022-2023, in the amount of \$123,852,624, and Scheduling a Public Hearing for September 6, 2022.

ROLL CALL: Wood Aye; Evans Aye; Miller Aye; McEvers Aye; Gookin No; English Aye. **Motion carried**.

ADJOURNMENT: Motion by Evans, seconded by McEvers, that there being no other business, this meeting be adjourned. **Motion carried**.

The meeting adjourned at 8:29 p.m.

CITY COUNCIL STAFF REPORT

DATE: AUGUST 16, 2022

FROM: VONNIE JENSEN, COMPTROLLER

SUBJECT: AMENDMENT TO THE 2021-2022 FISCAL YEAR APPROPRIATIONS (BUDGET)

DECISION POINT:

Should Council approve Resolution No. 22-037 to amend the Fiscal Year 2021-22 Budget to increase the budget by a total of \$3,207,899?

HISTORY:

The City Council annually amends the original appropriations ordinance for unanticipated expenditures.

FINANCIAL ANALYSIS:

Idaho Code allows the City Council at any time during the current fiscal year to amend the appropriations ordinance to reflect the receipt of revenues and/or the expenditure of funds that were unanticipated when the ordinance was adopted. The City each year adopts an amendment or amendments to the appropriation's ordinance.

PERFORMANCE ANALYSIS:

The budget amendment shows increases in expenditures due to carryovers of projects, state and federal grants received, drug forfeiture funds, funding received in FY 2020-21 from the American Rescue Plan Act, funding from ignite, and miscellaneous additional items. Additional revenues of \$862,348 have been received in the General Fund to cover the increased expenses for the fiscal year, and \$776,951 is coming from designated fund balance. The majority of the designated fund balance is being amended for overlay funds carried over from the previous fiscal year and drug forfeiture funds used for the purchase of an armored vehicle.

DECISION POINT:

Council should approve Resolution No. 22-037 amending the Fiscal Year 2021-22 Budget to increase the budget by a total of \$3,207,899.

CITY COUNCIL STAFF REPORT

DATE: AUGUST 16, 2022

FROM: MONTE MCCULLY, CITY OF COEUR D'ALENE TRAILS COORDINATOR

SUBJECT: CHILDREN PEDESTRIAN SAFETY PROGRAM GRANT (ACTION REQUIRED)

DECISION POINT: Should Council accept the 2023 Children Pedestrian Safety Program grant for the extension of the Prairie Trail from Huetter to Meyer Road, and proceed with the extension which includes adding a crossing light (an RFFB) on Huetter Avenue?

HISTORY: In 2008, the Prairie Trail was constructed through a combined effort by the City, ignite CDA, the KROC Center, and the Centennial Trail Foundation. At the time, the newly constructed trail covered 4 miles from Beebe Blvd to Huetter Road, although the first mile was later redesignated as the Centennial Trail because it was a better route than existed at that time for the Centennial Trail. Since that time, the trail has become increasingly popular among trail users and has some of the highest trail user counts in the City. The Parks Master Plan and the KMPO Non-motorized Plan have called for extending the Prairie Trail to Hwy 41, creating links from Coeur d'Alene to Post Falls and Rathdrum. The City limits and the trail end at Huetter Road, but the old railroad line extends another 1.16 miles to Meyer Road. This section of the railroad line came to ignite CDA through a series of loans and defaults on those loans, and was eventually gifted to the City due to a land swap that occurred between the railroad and the Centennial Trail Foundation. The Trail Foundation has pushed to extend the trail for several years and an anonymous donor gave \$50,000 to help the project. This year, the Local Highway Technical Assistance Council (LHTAC) announced a "no-match" grant in the amount of \$250,000 for building sidewalks, trails, and safe crossings for children to safely walk or bike to school. The Parks Department applied for the grant and was sent a notice of the award in July. The project will also involved adding a Rectangular Rapid Flashing Beacon (RRFB) at Huetter and the trail for additional safety.

FINANCIAL ANALYSIS: The funds for the Prairie Trail Extension and RRFB will come from the following sources:

Children Pedestrian Safety Program Grant	: \$250,000.00
Centennial Trail Foundation	: \$ <u>50,000.00</u>
	Total: \$300,000.00

PERFORMANCE ANALYSIS: Accepting this grant will allow the City to build a new portion of the Prairie Trail that will connect to the portion the City of Post Falls will be building in 2023. By the end of next summer, the Prairie Trail will extend all the way to Hwy 41.

DECISION POINT/RECOMMENDATION: Council should accept the 2023 Children Pedestrian Safety Program grant for the extension of the Prairie Trail from Huetter to Meyer Road, and authorize the extension which will include adding a RRFB crossing light on Huetter Avenue.

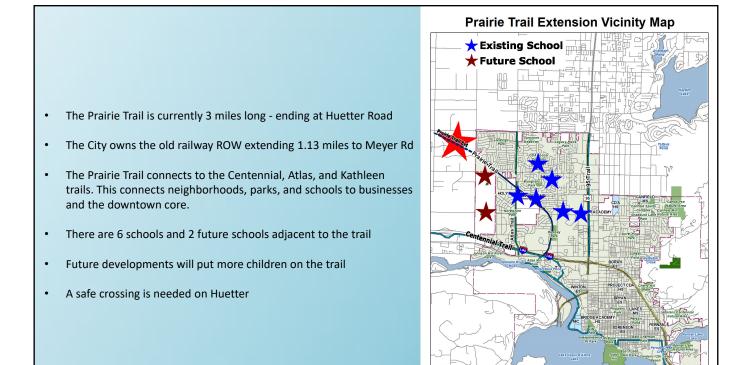

- The Children Pedestrian Safety Program is part of Governor Little's "Leading Idaho" plan.
- It created an additional \$210 million for local transportation projects.
- The bill provides \$200 million for local bridges and \$10 million for the Children Pedestrian Safety program.
- The Local Highway Technical Assistance Council (LHTAC) is administering the Children Pedestrian Safety Program.
- Eligible projects must be related to maintenance, and address safety and mobility.
- Projects must be shovel ready and construction must be completed by late fall/early winter 2023.

ELIGIBLE PROJECTS:

- paths/sidewalks along or adjacent to an existing roadway
- connecting sidewalks/paths between two terminal points
- ADA ramps
- pedestrian crossing facilities across an existing roadway including signing and/or signalization
- paving an existing pathway

- Post Falls and the County are working to extend the trail to Hwy 41
- In the future, it will connect to both Post Falls and Rathdrum
- The Post Falls Highway District is partnering with us and will be signing an MOU for the city to build and maintain the 350 feet of the trail that will be in their right-of-way
- The Highway District will be widening Prairie Avenue and would like a grade separated crossing when the trail reaches Prairie Avenue

The dotted blue line shows the area being applied for in the grant. The trail will have connectivity from Huetter Road to Myer Road. This area is part of the future Huetter Bypass and planned development for an addition 5000 homes, parks, schools and businesses to the southeast. In the future, we will partner with the other municipalites to extend the trail even further to help create safe connections for future development.

- This is a no match \$250,000 grant. The City has been awarded this grant if the Council chooses to accept it.
- The Centennial Trail Foundation had an anonymous member donate \$50,000 for the express purpose of extending the trail. So the City now has \$300,000 to build this trail.
- The gravel base and asphalt were estimated at \$184,000. The earthwork and subgrade costs were estimated at \$100,000. The cost for the Rapid Flashing Beacon, crosswalk paint, signs and sign posts are \$10,000.
- We will go to bid in March 2023 and construction will begin in summer.

RESOLUTION NO. 22-038

A RESOLUTION OF THE CITY OF COEUR D'ALENE, KOOTENAI COUNTY, IDAHO, APPROVING THE LHTAC/LOCAL AGREEMENT WITH THE LOCAL HIGHWAY TECHNICAL ASSISTANCE COUNCIL (LHTAC) FOR THE 2022 LOCAL CHILDREN PEDESTRIAN SAFETY (CPS) PROGRAM PRAIRIE TRAIL EXTENSION PROJECT.

WHEREAS, the Trails Coordinator for the City of Coeur d'Alene has recommended that the City of Coeur d'Alene enter into a LHTAC/Local Agreement with the Local Highway Technical Assistance Council, pursuant to terms and conditions set forth in an agreement, a copy of which is attached hereto as Exhibit "A" and by reference made a part hereof; and

WHEREAS, it is deemed to be in the best interests of the City of Coeur d'Alene and the citizens thereof to enter into such agreement.

NOW, THEREFORE,

BE IT RESOLVED by the Mayor and City Council of the City of Coeur d'Alene that the City enter into a LHTAC/Local Agreement, in substantially the form attached hereto as Exhibit "A" and incorporated herein by reference with the provision that the Mayor, City Administrator, and City Attorney are hereby authorized to modify said agreement to the extent the substantive provisions of the agreement remain intact.

BE IT FURTHER RESOLVED that the Mayor and City Clerk be and they are hereby authorized to execute such agreement on behalf of the City.

LHTAC/LOCAL AGREEMENT 2022 LOCAL CHILDREN PEDESTRIAN SAFETY (CPS) PROGRAM PRAIRE TRAIL EXTENSION PROJECT, CITY OF COEUR D'ALENE CPS#2022-28

PARTIES

THIS AGREEMENT is made and entered into this ______ day of _____, ____, by and between the LOCAL HIGHWAY TECHNICAL ASSISTANCE COUNCIL (LHTAC), hereafter called LHTAC, and City of Coeur d'Alene, acting by and through its Board or Council (Sponsor).

PURPOSE

LHTAC is administering the Children Pedestrian Safety (CPS) Program on behalf of both LHTAC and the Idaho Transportation Department (ITD) with state funds obligated from the Idaho Legislature. This program is intended to serve the cities, counties and highway districts. The Sponsor has requested to receive a grant award to complete construction of its sidewalk/pathway project. The purpose of this Agreement is to set out the terms and conditions to accomplish this Project.

Authority for this Agreement is established by Senate Bill 1206 and House Bill 334 of the 2017 legislative session.

The Parties agree as follows:

SECTION I. GENERAL

- 1. It is necessary for Sponsor to construct the project as part of this Agreement.
- 2. State participation in the project is in the form of a grant for the amount of \$250,000. No match is required. Scheduled funding for this project is listed in the approved CPS Program rankings, and subsequent revisions.
- 3. If the project is terminated prior to completion, Sponsor shall repay to LHTAC all state funds received for the project.
- 4. The Sponsor acknowledges that eligible uses of funds are material purchases and hiring a contractor to perform work. Ineligible uses of funds include reimbursement of sponsor for agency work or salary cost including but not limited to design, construction or inspection related activities. Other ineligible uses of funds include engineering fees of any kind, equipment fees, project costs prior to agreement execution, project match, education and outreach.

5. Sufficient Appropriation. It is understood and agreed that LHTAC is a governmental agency, and this Agreement shall in no way be construed so as to bind or obligate LHTAC beyond the term of any particular appropriation of funds by the State.

SECTION II. LHTAC shall:

- 1. Provide the following services incidental to Project development:
 - a. Provide support to the Sponsor on project bidding, procurement processes, general questions, and other technical assistance.
 - Provide approved funding to Sponsor upon receipt of agreement.
 - a. Complete final acceptance of each Project based on Sponsor documentation and physical observation.
- 2. Maintain all application and award records, including source documentation for all expenditures for a period of three (3) years from the date of final acceptance. If any litigation, claim, negotiation, or audit has been started before expiration of the three-year period, the records shall be retained until completion of the action and resolution of all issues that arise from it.
- 3. Bill Sponsor for any state funds to be repaid by Sponsor if Project is terminated prior to completion.
- 4. Cancel the Agreement should Sponsor not be able to provide an acceptable mid project update by July 21, 2023 and request Sponsor to return the funds, unless a written extension has been granted by LHTAC.

SECTION III. Sponsor shall:

- 1. Sponsor warrants that it will repay any state funds on this project if Project is terminated prior to completion. The Sponsor also warrants that it will repay all state funds if an acceptable mid project update is not provided to LHTAC by July 21, 2023 unless an extension has been granted by LHTAC.
- 2. Provide LHTAC with a mid-project report by July 21, 2023.
- 3. Provide LHTAC with before and after pictures upon completion of the project.
- 4. Bid and award the project following state procurement

rules if applicable.

- 5. Complete Project and provide Project Closeout Form and financial records to LHTAC by December, 2023.
- 6. Comply with all other applicable Federal and State statutes and regulations.
- 7. Sponsor agrees that failure to deliver any of the specified items listed above may result in the program award being rescinded.
- 8. Any excess funds that cannot be used on eligible expenses shall be returned to LHTAC for the CPS Program.

EXECUTION

This Agreement is executed for LHTAC by its Administrator, and executed for Sponsor by its duly appointed representative, attested to by its Clerk.

CITY COUNCIL STAFF REPORT

DATE: AUGUST 16, 2022

FROM: RENATA MCLEOD, CITY CLERK/MUNICIPAL SERVICES DIRECTOR RANDY ADAMS, CITY ATTORNEY/LEGAL SERVICES DIRECTOR

SUBJECT: CLARIFICATION INVOCATION POLICY

DECISION POINT: Should Council modify the City's invocation policy to allow any non-profit faith-based organization within Kootenai County to give the invocation before City Council Meetings?

HISTORY: On March 22, 2022, the City sent a notice to area churches that the City was encouraging greater participation in the invocations before City Council meetings. The notice invited representatives to sign up on a "first come-first serve basis" to provide an invocation at one of the meetings, with scheduling to be effective through the remainder of the year. At its June 7, 2022, meeting, Council discussed invocations and the following motion was passed: *Motion by Gookin, seconded by Wood, to continue the custom of invocations before Council meetings by incorporating a lottery system and allowing all established churches within Kootenai County the opportunity to give an invocation.* On July 27, 2022, Councilmembers Gookin and Wood hosted a meeting to obtain input from members of the area's faith community. From that meeting, refinements to the policy were proposed.

The faith community requested clarification that invocations may only be provided by an organization that is non-profit, and that individuals include the listing of the name and number of their organization's non-profit registration. Additionally, a request was made to clarify that those included in the lottery must be affiliated with a faith-based organization or church. Much discussion occurred regarding the possibility of trading dates and persons for any given invocation. It was determined to maintain the status quo, *i.e.*, if the individual who is scheduled to give the invocation cannot attend or doesn't appear at the meeting, there would be no invocation that day. Staff stated that it would advertise the opportunity to register for the lottery, ensuring that adequate notice is provided to all, and to established a 30-day open registration period. Staff recommends use of the City's web page portal for the registration. Staff further recommends that the first date for invocations under the lottery system be January 3, 2023 (the first meeting of the year). The reason for this recommendation is that the current list was established on a first come-first serve basis and individuals have already signed up for the remaining 8 meetings this year. While there is no right to give an invocation, there is an expectation that the City will honor its commitment to those who followed the previous policy. That being said, Council can direct staff to start the lottery at any time.

The electronic registration will continue to have the following affirmation, pursuant to legal recommendation:

- Invocations may contain sectarian language---in other words, the prayer can be specific to a religion, faith, person, etc.
- An invocation should not seek to proselytize (convert or seek affirmation) anyone.
- An invocation should not disparage other faiths.
- An invocation should not threaten those with different beliefs with hell, damnation, or other punishment.
- An invocation should not be politically biased.
- The invocation will not be edited or approved by the City.
- Invocations should be solemn and respectful in tone.

FINANCIAL: There is no financial impact, other than IT staff time to amend the website registration, run an electronic lottery program, and staff to publish the notice.

DECISION POINT/RECOMMENDATION: Council should approve the amendment to the policy on invocations to allow any non-profit faith-based organization within Kootenai County to provide invocations before Council meetings.
