City of Coeur d'Alene, Idaho Departmental Summary and Description Finance Department

Program Description

The Finance Department incorporates all accounting services for the City, and provides a wide range of professional financial services, including: procurement and payments, accurate and timely processing of invoices, cash management, debt management, investments, budget preparation, budget planning and monitoring, financial reporting, payroll preparation and reporting, billing, customer service and collections for utility services, and tracking city vehicle and equipment inventory and fixed assets.

Major Objectives

- To invest city funds under legal guidelines to ensure the best return
- To manage and account for the city's finances in accordance with generally accepted accounting principles
- To maintain a system of sound internal controls
- To advise the mayor and council, city administrator and department heads regarding available funds for proposed expenditures
- To maintain a current capitalization of fixed assets in accordance with GASB 34
- To report the financial condition of the city to the citizens of Coeur d'Alene, the mayor, city council, and city administrator
- To bill, collect and record revenues and expenses in a timely manner
- To provide excellent customer service to the public and other city departments

Fiscal Year 2019-20 Accomplishments

- By year end will have completed Premise upgrade to Springbrook Software
- Due to COVID-19 implemented payroll reporting changes, navigation of State CARES Act and FEMA portals for requesting reimbursements and eliminated customer fees from on-line payment process for utility payments
- Improved office efficiencies through cross-training
- Made improvements to the budgeting process by adding department narratives and details to the 5-year equipment replacement schedules

Fiscal Year 2020-21 Goals

- Continue to cross-train in both payroll, financial reporting and utility billing
- Review and update existing financial policies and create new policies as needed
- Implement on-line utility billing and recurring payments
- Improve the 5-year capital improvements plan by adding critical details
- Undertake training opportunities to maintain professional development

City of Coeur d'Alene, Idaho Departmental Summary and Description Human Resources Department

Program Description

The Human Resources Department manages and guides the establishment and implementation of city-wide employment policies and practices. Human Resources services include recruiting and retaining employees, classification and compensation, benefit programs, employee/labor relations and organizational development training.

The City of Coeur d'Alene offers competitive wages and a generous benefit package that includes medical, vision, dental, Public Employees Retirement System of Idaho (PERSI), health reimbursement arrangement (HRA), life insurance, long-term disability, paid holidays, vacation and sick leave accruals, and optional supplemental plans are also available to employees.

The policies and procedures that determine compensation, benefits and various working conditions of City employees varies depending on what bargaining group the employees classification belongs to. Exempt employees pay, benefits and other conditions of employment are established by the Personnel Rules, and include 37 employees. The bargaining groups recognized by the City are the Fire Union (Local 710), which represents 59 employees, the Police Officers Association (POA), which represents 110 employees, and the Lake City's Employee Association (LCEA), which represents 115 employees and includes an additional 30 unrepresented employees that receive the same benefits.

Major Objectives

- Attract and retain quality applicants and employees to ensure the goals of the City are met.
- Support all departments of the City. Continue to work with City departments throughout the year to hire and/or train.
- Continue to update the Personnel Rules to simplify and add clarity to various rules.
- Continue to work with City departments to provide impactful and helpful training topics specific to supervisory skills, management, leadership, compliance and general professional development.

 Provide guidance in policy and procedure assuring compliance, consistency and excellent customer service.

Fiscal Year 2019-20 Accomplishments

- Implemented a city-wide e-learning training program, Thinkzoom, for all benefited employees.
- Successfully implemented the complete HR module within SpringBrook, including an updated Personnel Action Form, and transitioned away from the old Access database.
- Successfully worked with administration, collective bargaining groups, the medical review committee, and the Murray Group to implement the City's first City of Coeur d'Alene Benefits Trust with Regence.
- Various amendments to Personnel Rules.
- HR worked with every department in the City to interview, test, hire and/or train over the fiscal year.
- HR accepted 1323 applications and hired 120 benefited and temporary employees to fill various vacancies.

Fiscal Year 2020-2021 Goals

- Obtain difference in funding to continue city-wide e-learning training program.
- Work with departments to identify and develop workers compensation safety and risks to control costs.
- Work with departments on business changes as we continue to identify variations of process and needs as result of the coronavirus.
- Provide employees at year end a total compensation statement for an overview of the value of both compensation and benefits.
- Keep up on ever changing trends, legislation and new HR strategies to remain compliant but to also think outside the box.
- Continue to improve the City's ability to attract and retain quality applicants and employees in order to provide our staff and community with exceptional customer service.
- Further develop labor/management relationships and processes that are built on mutual trust and respect in collaborative partnerships committed to achieving the City's goals.
- Continue updating the Personnel Rules to provide a consistent and clear document with up to date, relevant information.

City of Coeur d'Alene, Idaho Departmental Summary and Description Legal Department – Civil Office

Program Description:

The Civil Office of the Legal Department provides legal counsel to the Mayor, City Council, city boards and commissions, and city staff. Our office works with all departments and has frequent interactions with citizens with questions regarding City ordinances and codes. Our office is responsible for ensuring that the City is in compliance with all legal requirements.

Major Objectives:

Our primary objective is to provide timely, accurate and helpful legal counsel to all members of the City team as well as helping citizens as appropriate.

Fiscal Year 2019-20 Accomplishments:

The Civil Office participates in most major actions by the City. We review contracts, resolutions and ordinances and provide legal support to all departments. This year we worked closely with Administration and Municipal Services to help departments with bidding and purchasing requirements. Recently we have spent considerable time working with HR to interpret the COVID-19 regulations.

Fiscal Year 2020-21 Goals:

Continue to provide excellent legal services to the City team. The Legal Department's work is to support everything the City does. As the City grows and changes the Legal Department will be available to help the City achieve its goals with timely, accurate and helpful legal counsel.

City of Coeur d'Alene, Idaho Departmental Summary and Description FY 20-21 Legal Department - Prosecuting Attorney's Office:

Program Description:

The prosecutors are part of the Kootenai County Coordinated Community Response Team that works to improve communication between partners and bring best practices across many disciplines within our communities. This partnership has improved safety to victims of crimes. Prosecutors seek criminal sanctions that balance the interests of public safety, rehabilitation, deterrence, with traditional and alternative justice oriented interventions.

Major Objectives:

• Provide prosecution excellence to ensure public safety and assure procedural justice;

• Seek long term solutions to stop recidivism by holding offenders accountable through tradition and alternative intervention strategies;

• Evaluate complaints and crime reports to ensure appropriate charge(s) are filed, and provide quality control feedback to law enforcement.

Enhance our legal guidance to law enforcement on the ever changing laws and rules affecting law enforcement;

• Provide assistance in seeking restitution for crime victims, including the City;

• Participate as a stakeholder in treatment courts, community initiatives for victim safety and other local, state and national criminal justice programs.

Fiscal Year 2019-20 Accomplishments:

- Replaced part-time Deputy City Attorney with full-time Assistant City Attorney.
- Increased workload capacity by providing all attorneys and staff the capability to work from home.

Fiscal Year 2020-21 Goals:

- Continue to prosecute cases and protect the public to the standard that the City of Excellence has come to expect of the Prosecuting Attorney's Office.
- Continue to work with the courts on technological innovations to stream line procedures and provide for remote case hearings.

- Continue to coordinate with the Kootenai County Sheriff Office on appropriate in custody status of defendants, seeking release when appropriate to ease jail congestion, and transfer mentally ill persons to appropriate treatment settings.
- Continue our work with state and national prosecution and court teams to build stronger national standards for law enforcement and prosecution.
- Continue to seek to improve the quality of city neighborhoods through appropriate enforcement of city codes.

City of Coeur d'Alene, Idaho Departmental Summary and Description Planning Department

Program Description

The Planning Department's role in the City falls under two main pillars. The first is the long-range and strategic planning role, which provides the bigger picture for planning, zoning, and economic development. In this role, the Planning Department leads community engagement efforts, recommends and leads strategic code amendments, focuses on long-range and special planning projects, and engages with community partners. The second pillar is related to current planning and day-to-day operations. In this role, the Planning Department processes development applications, reviews building permits for compliance with zoning requirements, focuses on improved communications with the development community, and provides excellent customer service. The Planning Department routinely interfaces with other city departments and community partners, and acts as a facilitator. In all of our efforts, the department is mindful of opportunities to integrate walkability, affordable housing, and economic development (e.g., adaptive reuse, economic gardening, support of small business, and innovation) into planning conversations, and helps guide strategic conversations related to growth and community development.

Administration of the City's Community Development Block Grant (CDBG) will be transitioning from the Municipal Services Department to the Planning Department in FY 19/20. The CDBG program details are highlighted separately.

Major Objectives

- Take the lead and/or provide assistance on key City projects such as Atlas Waterfront, Comprehensive Plan (Envision Coeur d'Alene), East Sherman, Health Corridor, Midtown, and infill housing.
- Continue to lead comprehensive planning efforts for the City.
- Facilitate community engagement for major projects.
- Continue to promote continuous improvement for the development review process.
- Promote cost savings by collaborating with community partners on projects and seeking grant opportunities to assist with project costs.

- Promote compatible infill development through code amendments and the Comprehensive Plan update.
- Promote economic development opportunities in existing and new businesses districts (e.g., Midtown, East Sherman and Atlas Waterfront).
- Continue to improve the Zoning and Subdivision Codes.

Fiscal Year 2019-20 Accomplishments

- Atlas Waterfront project assisted with the completion of the PUD, Subdivision and Development Standards, and the RFP process for development of Phase 1, which includes 7 areas (blocks) to be developed. This included participation on the Steering Committee and Architectural Review Committee.
- East Sherman Revitalization efforts:
 - O Worked with CDA 2030, Community Builders and Studio Seed to update the Revitalization Plan that includes proposed action items, funding opportunities, and design concepts. The plan was posted on the project website and shared with stakeholders in December 2019.
 - Staff worked with the Executive Team and staff from various departments to come up with recommendations for street section improvements and cost estimates to present to City Council.
 - o The City successfully acquired the two former motel sites on East Sherman through a trade with St. Vincent de Paul.
- Successful collaboration with CDA 2030 on various projects, including Envision Coeur d'Alene, East Sherman, Open Books! Opening Doors!, and the Health Corridor.
- Envision Coeur d'Alene Comprehensive Plan Update, Vision and Implementation Plan
 - The project launched with a successful kickoff event including visioning activities, discussions, and Growing Better Places game.
 - o A project website was developed and is regularly updated.
 - o A Community Advisory Committee and six Focus Groups were formed to work closely with staff, CDA 2030, the consultant team, and the Planning Commission to advise on the project and provide valuable community input and feedback throughout the process.
 - O Actively engaged community members including pop-up game nights, online surveys, stakeholder interviews, and meetings with city departments and CDA 2030 board/committee members.
 - o Leadership Briefings with Council and the Planning Commission.
 - Successful online engagement using Zoom format during the Stay Home Order.
- Midtown Parking Pilot Program in partnership with other city departments. (Extended until the Midtown Parking Lots are improved)

- Updated the Accessory Dwelling Unit (ADU) Code with assistance from a committee comprised of builders, developers, architects, representatives of NIBCA, and community members. The committee is currently working on an Infill/Missing Middle Housing Code.
- Organized and facilitated a Missing Middle Housing Forum with assistance from the Coeur d'Alene Association of REALTORS and CDA 2030, with guest presenter Tony Perez from Opticos, which was funded by a grant from the National Association of REALTORS.
- Assisted with the Health Corridor Master Plan & Financial Feasibility Study, which resulted in the formation of the Health Corridor Urban Renewal District.
- Formed a Historic Preservation Commission and was successful at becoming a Certified Local Government CLG) and receiving CLG grants for education and a city-wide preservation plan.
- Assisted with the successful relocation of the JC White House.
- Amended the Zoning Code to improve the Design Review Procedures.
- Hired Chelsea Nesbit in early March to fill the vacant CDBG Community Development Specialist position.
- Successful at continuing Planning Commission meetings/public hearings during the COVID-19 Stay Home Order using Zoom, when other communities canceled and postponed meetings.

Fiscal Year 2020-21 Goals

- Continue being very involved with Atlas Waterfront development and implementation of the Development Standards and PUD, including participation on the Architectural Review Committee.
- East Sherman revitalization efforts, including Zoning Code amendment to support the East Sherman vision and working with the businesses and neighborhoods.
- Assist with economic development efforts citywide in partnership with CDAEDC, NIC and other regional business partners.
- Continue work with community partners to develop the Infill/Missing Middle Housing Code building upon work from the ADU code amendments and ideally recommendations for Coeur d'Alene from Opticos. Expected later in 2020/early 2021 (delayed due to COVID-19).
- Finalize the Envision Coeur d'Alene (Comprehensive Plan update) in partnership with CDA 2030 and MIG, and bring forward to City Council for adoption in late 2020/early 2021.
- Work with the Historic Preservation Commission and hire a consultant to work on the Citywide Preservation Plan, that will become part of the Comprehensive Plan document.

City of Coeur d'Alene, Idaho Departmental Summary and Description Building Maintenance Department

Program Description

The building department is responsible for maintaining all cities owned building

Major Objectives

Building department objective is to perform preventive maintenance on all HVAC equipment and to make all repairs to the buildings as needed.

Fiscal Year 2019-20 Accomplishments

- In response to the COVID-19 outbreak the building department has worked to provide buildings and staff with CDC approved cleaners, hand sanitizer, gloves and wipes, protective shields at customer service counters, distancing measures, and increased custodial services to sanitize contact surfaces.
- Building department has completed minor remodel at the police station to combine two closets into one office. Work included the removal of dividing wall, drywall and flooring patch work, painting, electrical/data installation, and the installation of electronic lock to fit the security needs of cyber forensic detectives.
- The building department is on schedule for the replacement of failed backup generator at city hall.
- The building department has worked with Standard Plumbing Heating Controls to install Automated Logic on the mechanical equipment at the police station. This control system allows for remote access to the operation and scheduling of the heating and cooling systems. Control of these systems aids in occupancy comfort, diagnostics, and energy savings management.

Fiscal Year 2020-21 Goals

- The building department is working with the parks department to have the old brick restroom at City Park demolished this fall and to have a new CXT custom prefab restroom installed in its place.
- The building department is working with contractors and staff to remodel the front entrance and interrogation rooms at the police department. The remodel will include increased security at the front desk of the main entrance, restrict access to main building from interrogation rooms, and add an additional interrogation room with audio/video recording capabilities.
- The building department would like to replace the chiller at the police department. The unit is 21 years old and has a failed compressor. Two of the four compressors have been replaced over the years and each compressor replacement is extremely expensive. The new chiller would have a factory start up for warranty purposes and would be connected to the new building automation for increased control and energy savings. The building department is continuously working on the heating and cooling equipment throughout the city using the automated logic controls to optimize energy savings though comprehensive scheduling of temperature set points during occupancy hours and setting temperature setbacks during unoccupied hours.

City of Coeur d'Alene, Idaho Departmental Summary and Description Police Department

Program Description

The Police Department strives to improve or maintain the safety of our community through collaborative partnerships with community stakeholders in an effort to appropriately respond to emergency calls for service, reduce the fear of crime, and improve community engagement. CDA PD has 112 members who serve our public. The police department is comprised of the following units: Patrol, investigations, school resource officers, community action team, records, traffic, K9, SWAT, code enforcement, civilian investigative specialists, records, animal control, professional standards, hiring and training, IT, fleet support, property and evidence, volunteers, and chaplains.

Major Objectives

- Appropriately respond to emergency calls for service.
- Reduce crime and the fear of crime in our community.
- Reinforce a culture of proactive policing focused on community engagement and the reduction of felony crimes in our community.
- Properly and adeptly investigate allegations of crime.
- To improve or maintain our partnership with the community.
- Keep school children safe through the School Resource Officer program.
- To continue to support the members of the police department by ensuring they are staffed, trained, and equipped properly to fully meet our public safety mission.

Fiscal Year 2019-20 Accomplishments

- In 2019 Part 1 crime was reduced by -28.07%. Overall Part 1 crime has been reduced -59.68% since 2014. Crime reduction of this magnitude is uncommon in Idaho and across the US.
- Responded to 42,717 calls for service (2019).
- Reportable accidents, injury accidents, and DUI- related accidents all went down significantly.

- The victim advocate program served 522 victims of stalking, domestic violence, or sexual assault and an additional 688 unsolicited outreach contacts.
- Improved highway safety through our DUI enforcement program.
- Improved investigative processes and appropriately investigated major cases including 147 auto burglaries, 76 aggravated assaults, 8 robberies, and 40 sexual assaults.
- Continued our partnership with the Fire Department on the Rescue Task Force program to better respond to active shooter incidents.
- Increased community engagement activities through our crime prevention activities as well as other community outreach programs such as the Police Athletic League and Toy Drive.
- Focused on bringing instructors to our region to allow more students to attend training at a lower cost.

Fiscal Year 2019-20 Goals

- Continue to reduce the fear of crime in our City through a collaborative effort with community partners.
- Continue to be leaders in public safety for our region.
- Add one Code Enforcement Officer to address quality of life concerns.
- Move PT evidence technician position to FT.
- Add two sergeants to improve supervision and accountability.
- Replace obsolete technology such as aging car computers.
- Increase our social media presence to better inform and partner with the community.
- Continual evaluation of traffic complaints and collisions to optimize deployment of limited traffic enforcement resources.

City of Coeur d'Alene, Idaho Departmental Summary and Description Parks Department

Program Description

The Parks Department provides all landscape maintenance on city owned parks and properties. We are budgeted for 14 full time employees and 11 seasonal employees. We maintain 587 acres that include 30 parks, 210 acres of national open space, and 39 miles of pedestrian and bike paths, and 9 miles of hiking trails. Last year we had 144,296 people in the parks at various events and 4,622 hours of usage.

Major Objectives

- Maintain restrooms and other park facilities.
- Provide grounds maintenance of turf, trees, and all landscaping.
- Support and help carry out numerous large-scale events; Ironman, 4th of July, Taste of the Coeur d'Alene's, three concert series, etc.
- Provide customer service to all facility use permit holders throughout the parks.

Fiscal Year 2019-2020 Accomplishments

- Without the ability to hire a full staff of seasonal employees we outsourced some maintenance and restroom cleaning and came under budget.
- Added much needed vehicles and equipment.
- The following projects were completed or are underway: McEuen lift station, Ramsey pumps, Jenny Stokes irrigation removal for Street Department and second exit, Atlas Park, Memorial Grandstands.

Fiscal Year 2020-21 Goals

- Hire a new Lead Maintenance Worker for our Atlas Mill Park.
- Continue to outsource maintenance on non-park areas.

TOTAL PARKS DEPARTMENT

City of Coeur d'Alene, Idaho Departmental Summary and Description Recreation Department

<u>Program Description</u>: The Recreation Department offers a variety of sports and leisure activities to the community. Our programs are designed to meet the recreation needs of infant ages, to senior citizens, and everything in between. We offer traditional team sports programs as well lifetime leisure activities, informational classes and community events.

<u>Major Objectives</u>- Continue to grow our bank of program offerings. Our department looks to continue our growth in new areas with a few potential partnerships for new programs and are constantly looking for new programs and better ways to run our existing programs.

The Recreation Department looks to develop programs that can be run in our new parks to use new amenities provided (futsol), pickleball etc. These options will continue to grow with the new Atlas Park coming online soon.

Community events, such as our Kids to Parks Day and our community yard sales are part of a genre of programs we are working hard to grow. The feeling is that these types of programs/events are great because they help us extend our reach into the community.

As always, a city owned gymnasium facility will always be something we strive for. This would allow us the freedom to offer more programs and also bypass much of the scheduling difficulties that arise within our use agreement with the school district. This would also allow us to increase revenue by offering increased basketball tournaments and possibly have options for gym rental times.

<u>Fiscal Year 2019-20 Accomplishments</u>- The Recreation Department has launched some new community event offerings that we are excited to build on.

Although the slowdown and uncertainty of COVID-19 slowed down our programs, we used the time to rebuild many aspects of our outdoor recreation facilities that have needed repair for some time. This includes repairing storage facilities, new backstops on our softball fields and various field rebuilding items that addressed not only the appearance of our fields but also the safety of the participants who use them.

Our swim program continues to grow as we look for more pool time in order to accommodate more citizens. The program has grown from our Monday/Wednesday offerings to include Saturdays as well. This allows for an additional 40-50 participants every 6 weeks.

The purchase and launch of our new website/registration software last year is looking like it will increas revenue and participation within our programs. This program has helped the department become more efficient in registration/communication and overall program administration.

<u>Fiscal Year 2020-21Goals</u>- An obvious goal is to increase revenues through increased participation. This would then help us reach other goals of having a wider reach into all things recreation related (community events/outdoor activities).

Our department will continue to look at creative ways to staff our programs. Our small staff has and will continue to be flexible and always willing to change schedules on the fly to meet the needs of our programs. Due to the COVID-19 virus we will do our best to evaluate and anticipate what the new "normal" will be and how that will affect our programs. We will adapt our existing programs where needed and always consider any new state or federal social guidelines when planning new programs and events.

It is the belief of recreation staff that the city would benefit greatly from a city owned/run indoor gymnasium facility. Our goal is to have discussions and potentially develop a long term plan to work toward this goal.

City of Coeur d'Alene, Idaho Departmental Summary and Description Building Inspection Department

Program Description

The Building Department is responsible for the health, safety, and welfare of the public by creating safe buildings. Our team is responsible for enforcing all applicable building, mechanical, accessibility, plumbing and housing codes and laws adopted by the City and State to ensure a safe and habitable building environment.

Major Objectives

- Administer the building, mechanical, and plumbing codes as adopted to ensure homes and businesses are safe and are accessible to everyone.
- Provide education on the building codes and construction practices for architects, contractors, homeowners, and students.
- Ensure plan reviews, issuance of permits, and inspections are completed both timely and accurately.
- Provide excellent customer service to the construction community, public, and other city departments.

Fiscal Year 2019-20 Accomplishments

- An online payment option (Quick Pay) has been added to our permit program which allows contractors to make direct payments without entering the customer service center.
- Continued to work efficiently through a busy construction year.
- Brought in necessary training locally through our partnership with North Idaho Code Enforcers. Training was provided at a fraction of the cost and without travel expenses, saving the northern jurisdictions and local design firms. We averaged 50-80 attendees per day, which included contractors, designers, inspectors, and NIC carpentry students.
- Continued ongoing partnership with the North Idaho College carpentry program and plumbing apprentice advisory committee.
- Adapted our working environment to continue operations through the current pandemic.
- Improved relationships with builders and developers.

Fiscal Year 2020-21 Goals

- Create online permit access for residential customers. Applicants will be able to apply and pay for permits without entering the customer service center.
- Simplify the building permit application process.
- Improve Building Department website. Making information more available on city policy and procedures, code updates, and links to helpful information.
- Adoption of the 2018 International Building Codes by January 1st, 2021.
- Provide education and training for builders, designers, and inspectors on upcoming codes.
- Continue to build relationships with the construction community.

City of Coeur d'Alene, Idaho Departmental Summary and Description Cemetery Fund

Program Description

Operation and upkeep of Forest and Riverview cemeteries.

Major Objectives

The cemetery's major objectives are to perform burial services and provide the highest quality and most respectful care possible to those interned there. We provide maintenance on 22 acres at Forest and 7.5 acres at Riverview.

Fiscal Year 2019-2020 Accomplishments

- We performed 105 interments, sold 98 lots and niches, and inspected and staked out 70 headstones.
- Our first niche wall was installed in a new niche garden between Section C and A.
- Privacy fencing was installed along the Old Post section of Forest Cemetery and new black chain link fence along Lincoln Way.
- Obtained a new turf vehicle under budget and used the savings to buy a commercial pesticide sprayer
- We purchased a 4-wheel drive mower for the price of a 2-wheel drive mower.
- Continued our path to go green by purchasing an electric walk behind mower and backpack blower.

Fiscal Year 2020-2021 Goals

- Remain competitive in the services field and continue to provide high standards of quality.
- Due to budget constraints, we are not seeking financial increases.

City of Coeur d'Alene, Idaho Departmental Summary and Description Cemetery Perpetual Care Fund

Program Description

Provides funds to sustain the ongoing maintenance of the cemeteries beyond lot and niche sales revenue.

Major Objectives

To increase the perpetual care fund to assure interest from the fund will offset operating expenses, and to continue to add fifty percent of lot sales to the perpetual care fund.

Fiscal Year 2019-20 Accomplishments

- Lowered fees on older niche walls in Riverview Cemetery to recoup our investment in the niche walls.
- Continue to operate and provide quality safe service.

Fiscal Year 2020-21 Goals

• Remain competitive in the services field and continue to provide high standards of quality.

City of Coeur d'Alene, Idaho Departmental Summary and Description Recreation Department-Jewett House

Program Description

The Jewett House serves as a senior center for a number of activities for senior citizens as well as an event center that accommodates weddings and other special events. The house is host to recreation department offerings as well as staff and corporate meeting and gatherings.

Major Objectives

Our major objective for the house is to continue to grow our department offerings held there and to continue increasing the number of weddings and special events held at the house. This increased revenue will help keep the house mostly self-sustaining and not solely reliant on budgeted city funds.

Fiscal Year 2019-2020 Accomplishments

In working with our house manager we increased 2019 events at the house with an even larger number of events expected for this summer.

Fiscal Year 2020-2021 Goals

Continue growing programs. We would like to afford a few projects at the house that we feel would greatly benefit the overall product we can present to prospective customers. In trying to accommodate those projects we would like to ask the City to fund \$15,000 as was the case in previous budget years

City of Coeur d'Alene, Idaho Departmental Summary and Description Reforestation, Street Trees and Community Canopy

Program Description

The Urban Forestry division serves as the liaison to the public regarding city ordinances, tree selection and tree care. The division manages the City of Coeur d Alene tree inventory, coordinates and carries out tree work on public trees, issues permits for contractors and homeowners to work on public trees, provides public education, serves as a liaison to the urban forestry committee. The City of Coeur d Alene Urban forestry division reviews commercial permits to insure that city codes regarding street trees are met and assists with project reviews. The City of Coeur d Alene street tree permit program provides funds for planting and the City cost share program which provides assistance paying for tree care on public trees abutting single family residential properties.

Major Objectives

- To ensure that public trees receive proper tree care through permitting
- To protect public trees from unnecessary removal
- To keep the city tree inventory up to date to track the state of the tree infrastructure.
- To establish ordinance that promotes proper tree care and a diverse tree population through approved planting lists
- To improve public safety through mitigating hazards regarding public trees.
- To continue the growth of the Urban Forest through planting new trees and reforestation.

Fiscal Year 2019-20 Accomplishments

- The Urban Forest Master Plan has been completed by city staff and will be integrated into the Parks Master plan for approval before the end of the year.
- 16 residential homes have utilized the cost share program this fiscal year resulting in 34 street trees pruned and 11 hazardous our unhealthy trees removed through this program. With a total of 220 trees pruned and 89 trees removed since the programs inception
- Through the RSTR program 175 street trees at residential properties in the incorporated city limits in this budget year.

Fiscal Year 2020-2021 Goals

- Continue the Re Leaf CDA program in the 2020-2021 fiscal year as budget allows.
- Work towards funding a full-time street tree crew for the City of Coeur d Alene parks department.
- Complete the fuel mitigation grant work in the Fernan Hill natural area within the two-year timeline allowed by the grant.
- Perform prescribed burn on Tubbs hill natural area that was postponed in the 2019-2020 budget due to the COVID-19 pandemic.

City of Coeur d'Alene, Idaho Departmental Summary and Description Public Art

Program Description

The City of Coeur d'Alene Arts Commission is the standing committee charged by the City Council to "stimulate and encourage, throughout the City and surrounding area, the study and presentation of the performing and fine arts, and public interest and participation."

On June 1, 1999, Coeur d'Alene became the first city in Idaho with a funding mechanism for public art. Coeur d'Alene now dedicates 1.33% of the total cost of all eligible capital improvement projects to fund art in public places.

The purpose of the public art program is to integrate a wide range of public art into the community and reflect the diversity of communities, artistic disciplines, and points of view. Artists can be valuable members of planning or design teams and primary resources in the revitalization and development of the downtown and of neighborhoods throughout the city.

Major Objectives

- Integrate public art into the design of buildings, parks, streetscape and public spaces making art a natural, normal enhancement of community design.
- Select artworks of sufficient scale to capture public attention. Make an impression.
- Build a diverse public art collection that: incorporates various art media styles and themes; includes permanent works and temporary exhibitions; and is well-made to withstand climate extremes.
- Place public art out in the open, in accessible locations where more folks can see it and interact.
- Over the years, gradually extend public art from the downtown core into all corners of the city.
- Select art through a juried process that invites citizens to play a role. Extend the selection process to include artists from outside the area, to diversify the collection.
- Ensure that Coeur d'Alene's growing public art program is supported by adequate funding, professional staff, and proper maintenance of the collection by qualified individuals.
- Strive to acquire truly exceptional art of the highest quality, representing in Coeur d'Alene's collection the finest artists of the region and the world.
- Serve as a model and inspiration for other communities interested in introducing their own public art programs.

Fiscal Year 2019-20 Accomplishments

- Purchased "Snow Ghost I," by artist Teresa McHugh, for permanent installation in Riverstone Park.
- Completed installation of art on loan for the ArtCurrents program in downtown Coeur d'Alene and Riverstone.
- Issued a call to artists and for utility box vinyl wraps at 15 locations in the City of Coeur d'Alene.
- Accepted the donation of a mobile from the estate of artist Patty Sgrecci, which was installed at the Coeur d'Alene Library.
- Relocated the "Plunge" statue by artist Jason Sanchez to Independence Point, and relocated the "Breaking Boundaries" statue by artist Jason Sanchez to the Memorial Park Skatepark.
- Purchased "Open Arms," by artist Donald Cadden, for future permanent installation in the Atlas Waterfront area.
- Accepted the permanent art on loan and completed installation of the "Unconquered" statue by artist Lorenzo Ghiglieri, from Dan and Kathryn Pinkerton, in Riverstone Park.

Fiscal Year 2020-21 Goals

- Issue a call to artists for new art on loan for the ArtCurrents program, or extend the program for an additional year.
- Accept donation of "The Suffragette" statue by artist Terry Lee, and complete installation on Front Avenue, followed by a dedication ceremony.
- Issue and complete installation of Storm Drain Art using elementary school artists at four locations in the City of Coeur d'Alene.
- Completion and installation of utility box wraps at 15 locations in the City of Coeur d'Alene.
- Completion, installation and dedication of "Inspired," public art sculpture by artist Jason Sanchez, at Memorial Field.
- Plan, coordinate, and execute 25th Annual Mayor's Awards in the Arts Ceremony.
- Issue a call to artists, and completion of various mural projects in the City of Coeur d'Alene.
- Issue a call to artists for public art at the 4-Corners entrance to the City of Coeur d'Alene.
- Explore the opportunity for a mural festival in the City of Coeur d'Alene.

City of Coeur d'Alene, Idaho Departmental Summary and Description Water Department

Program Description

The Water Department's primary goal is to provide safe, clean and abundant drinking water for the City. The spring of 2020 demonstrated how valuable a commodity this is in relation to the struggle with a global pandemic. No one (around the world) really gave it a second thought but safe water supplies were paramount to successful sanitation. Our licensed and specifically trained operators remained on the job and provided the necessary services such as emergency customer service calls, meter reading, maintenance and repairs, water production, treatment and storage, water quality sampling, leak detection and repairs, and various other critical operational and maintenance programs. This demonstrated the dedication, pride and efficiency of the City of Coeur d'Alene public water system operators and staff.

The Water Department consistently provides the utmost in customer service to all of our consumers. Routine functions of the department include provision of a myriad of services such as routine and emergency customer calls, meter reading, maintenance and repairs, water production, treatment and storage, water quality sampling, leak detection, various operational and maintenance programs, main and service replacements, fire hydrant installation, maintenance and repairs, all aimed at providing the best customer service possible. Administration and the support staff consistently provide routine and emergency scheduling, budgeting, purchasing, research and resource management to provide the necessary manpower, tools, materials, equipment and available information necessary to properly maintain and operate an outstanding public water system.

Major Objectives

- Provide high quality and abundant water at an affordable rate.
- Meet and exceed all federal, state and local water quality requirements.
- Provide excellent customer service at all times.
- Provide reliable fire service citywide to ensure public safety.
- Continue to replace aging and failing infrastructure in a reasonable time frame to prevent future system failures with exorbitant replacement costs.
- Promote equitable funding methodology to maintain and improve system performance and reliability while limiting debt service.
- Maintain and update standards and policies for proper construction practices and service reliability.

Fiscal Year 2019-20 Accomplishments

- Completion of the Water Administration & Maintenance Building to free up valuable space for other departments.
- Completion of drilling and water right permitting of the new Huetter municipal well.
- Completion of the Fernan Hill transmission main, first leg of a planned zone transition. Working on the second phase of converting services for zone boundary split.
- Continuation of professional development to ensure we have the best trained operators in the region.
- Completion of annual service and main replacement projects ahead of street overlays.
- Completion of the Honeysuckle Well rehab project.
- Continuation of the annual meter replacement program.
- Acquisition of the Atlas Mill Site water right for use by the Parks Dept.

Fiscal Year 2020-21 Goals

- Finalize construction of the Huetter Well, conversion of the Atlas Well to General Zone, and related transmission main construction projects.
- Acquisition of additional ground water rights through future subdivisions and annexation to meet peak production demand capabilities.
- Continuation of the Yardley service line replacement project.
- Various water main and large service replacement projects.
- Continue with quest for acquisition of property for two future storage facility sites.
- Conduct and attend annual training necessary to maintain operator licenses.
- Begin design of a replacement booster station and construct a new transmission main on Blackwell Island.
- Near end of fiscal year, will send an RFP out for the next Water Comp Plan Update due in FY 2022.
- Work on preparation for upgrade to a Class IV public water system in the near future.

City of Coeur d'Alene, Idaho Departmental Summary and Description Wastewater Department

Program Description

The City of Coeur d'Alene Wastewater Department provides treatment for municipal, commercial, and industrial wastewater for more than 50,000 residents and associated commercial users prior to discharge to the Spokane River. The Department maintains over 220 miles of public sewer, treating almost 1.3 billion gallons last year, and producing over 5,000 cubic yards of Class "A" compost. The Department employs 28 people who clean, measure, maintain, operate, and administer this service.

Major Objectives

- To provide sanitary sewer for the residents and businesses of the City of Coeur d'Alene while maintaining our pristine Spokane River and Rathdrum Prairie Aquifer.
- Protect the public health and our employee's safety in a fiscally responsible manner.
- Promote public awareness of the importance and value of clean water to our community.
- Think ahead and plan for the future. The City still utilizes many of our original pipes and infrastructure. This type of investment has had huge returns within our community. We utilize modern technology to not only maintain this original equipment but ensure that new equipment has a long, beneficial service life.

Fiscal Year 2019-20 Accomplishments

- Last year we converted an Operator II position (Grade 10) to a SCADA Electro-Tech position (Grade 12). In two months, this has saved the Wastewater Department \$27,000 versus utilizing a contractor.
- In the last year, the Wastewater Treatment Facility received 3,701,878 lbs. of pollution (CBOD, TSS, Ammonia, and Phosphorous) and discharged 6790 lbs. That's a removal efficiency of 99.8%.

Fiscal Year 2020-21 Goals

- Replacement of a "belt filter press" installed in the late 90's with a "centrifuge". This equipment is responsible for drying out the biosolids from about 3% to 25% solids.
- Begin construction of the new Wastewater Operations building with construction anticipated to span 2 fiscal years. This is the building from which the plant

operators work. The current building is from the 1970's and has been expanded upon over the decades and suffers from both functional and mechanical deficiencies. A recent analysis has shown a need to replace this building.

- Optimize the treatment process for new permit limitations including the use of real time controllers for chemical optimization.
- Update to the Collection System Master Plan

City of Coeur d'Alene, Idaho Departmental Summary and Description Drainage Fund

Program Description:

This Utility is administered by the Streets & Engineering Superintendent and one FTE, Assistant Project Manager. Utility fees provide the funding for the planning, engineering, construction and maintenance of the city's storm drainage system.

Major Objectives

- ✓ To provide the utility rate payers with efficient and quality service
- ✓ Proactive maintenance versus reactive
- ✓ Reduce the amount of stormwater discharge to surface waters

Fiscal Year 2019-20 Accomplishments

- ✓ Acquisition of new Street Sweeper, which has allowed for an increase in street sweeping. (Recognized as the most effective best management practice in reducing pollutants from reaching our surface waters)
- ✓ Completed analysis and design for the NW Blvd / US 95 swale project
- ✓ Continued training to improve the skills and knowledge of staff

Fiscal Year 2020-21 Goals

- ✓ Improve drainage in areas with the highest potential of flood damage or traffic hazards.
- ✓ Assess, update and perform maintenance on aging infrastructure.
- ✓ Reduce the volume of stormwater discharge to surface waters by ??? cubic feet.
- ✓ Complete inventory and map utilities.
