CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

Plan Year 2015 began focused on three activities: A Community Opportunity Grant (COG) in the amount of \$119,330 that was awarded to The Shepard's Table during PY 2014 for the purchase a group home to house recovering drug and achohol addicts; Improvement to the City's sidewalks; and the Emergency Minor Repair and Accessibility Program (EMRAP). This extremely popular program is designed to help low-to-moderate income homeowners correct building conditions that threaten the health and safety of the owner/occupants, the soundness of their home or makes improvements to correct accessibility issues. Ten projects have been completed and closed in Plan Year 2015.

Due to a change with their project scope, The Shepard's Table voluntarily opted not to use the CDBG COG funds that were awarded to their agency in 2014. It was determined that the new project scope would not be an eligible activity as determined by HUD and the CDBG Eligibility Activity Codes and National Objectives. The City was approached by St. Vincent de Paul of North Idaho with a request to receive funds that would allow them purchase the H.E.L.P. Center, which they are currently leasing. By substantial amendment, completed in February 2016, the City approved the change of funding receipient from The Shepard's Table to St. Vincent de Paul. The substantial amendment also included a increase to the COG allocation. The increase from \$119,330 to \$162,840 included the funds originally allocated for sidewalk repair and replacement in the amount of \$43,510.

The City's entitlement allocation of \$291,050 for PY 2015 is not large enough to fund substantial housing projects or rehabilitation on a neighborhood size scale. The City focuses on partnerships and collaborations where their modest funding, may tip the balance toward a successful project. The City of Coeur d'Alene remains committed to supporting and promoting activities and programs that benefit LMI residents as well as all our citizens. The City advocates education and outreach to create a strong, involved, and aware populous who want to participate in community improvement. The City hopes for continued growth of the Entitlement Program with widespread benefits through increased participation from stakeholders, innovative proposals, and public enthusiasm.

Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee's program year goals.

Goal	Category	Source / Amount	Indicator	Unit of Measure	Expected - Strategic Plan	Actual – Strategic Plan	Percent Complete	Expected - Program Year	Actual – Program Year	Percent Complete
1-Increase For Sale Affordable Housing	Affordable Housing	CDBG: \$0	Public Facility or Infrastructure Activities for Low/Moderate Income Housing Benefit	Households Assisted	2	2	100.00%			
2-Increase Affordable Rental Housing	Affordable Housing Homeless Non- Homeless Special Needs	CDBG: \$0	Public Facility or Infrastructure Activities for Low/Moderate Income Housing Benefit	Households Assisted	20	12	60.00%			
3-Sidewalk Accessibility	Non-Housing Community Development	CDBG: \$0	Public Facility or Infrastructure Activities other than Low/Moderate Income Housing Benefit	Persons Assisted	1000	600	60.00%			
4- Neighborhood Revitalization	Non-Housing Community Development	CDBG: \$232840	Public Facility or Infrastructure Activities other than Low/Moderate Income Housing Benefit	Persons Assisted	0	0		40	0	0.00%

4- Neighborhood Revitalization	Non-Housing Community Development	CDBG: \$232840	Homeowner Housing Rehabilitated	Household Housing Unit	30	57	190.00%	8	10	125.00%
4- Neighborhood Revitalization	Non-Housing Community Development	CDBG: \$232840	Housing Code Enforcement/Foreclosed Property Care	Household Housing Unit	0	0		2	0	0.00%
5-Economic Development	Non- Homeless Special Needs	CDBG: \$0	Businesses assisted	Businesses Assisted	1	0	0.00%			
6-Public Service	Non- Homeless Special Needs	CDBG: \$0	Public service activities for Low/Moderate Income Housing Benefit	Households Assisted	25	34	136.00%			

Table 1 - Accomplishments – Program Year & Strategic Plan to Date

Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

Their are currently six EMRAP projects using PY 2015 funds scheduled to be completed in the next 2 months, which brings the total served to 16. These projects were put on hold due to weather and/or the contractor's schedule. There are still more projects waiting till those six are completed, additional projects will be completed on a first come first serve basis with PY 2015 funds until fully expended. Due to the substantial amendment completed in February 2016, the funds for the PY 2015 Community Opportunity Grant receipient will not be expended until PY 2016 at which time the St. Vincent de Paul project will be closed out. Another portion of the substantial amendment completed in February included an increase to the PY 2014 Community Opportunity Grant Program in the amount \$37,000, this increase was awarded to the Boys and Girls Club for architect and engineering cost associated with the new facility located in Coeur d'Alene. The funds were reallocated using the PY 2014 sidewalk funds and a portion of the general admininstrative funds. All PY 2014 and PY 2015 funds will be expended during PY 2016. The Housing Needs Assessment and the Fair Housing Analysis of Impediments were completed and accepted by the Coeur d'Alene City Council on March 15, 2016 and is now closed out. Sidewalk projects are scheduled and assumed to be two yearlong projects using city staff. However, City Council has requested staff concentrate on bringing the downtown sidewalks into ADA compliance. Therefore, staff is unavailable for a couple of years, so funds were reallocated for timely expenditure of CDBG funds.

CR-10 - Racial and Ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted). 91.520(a)

	CDBG
White	25
Black or African American	1
Asian	0
American Indian or American Native	0
Native Hawaiian or Other Pacific Islander	1
Total	27
Hispanic	0
Not Hispanic	27

Table 2 – Table of assistance to racial and ethnic populations by source of funds

Narrative

According to the most current ACS Demographic Data, Coeur d'Alene has a minority population of 6.2%. The City has an open door policy that does not allow for discrimination of any kind based on race or ethnic background. Any and all documents, including applications for Community Opportunity Grants and the Emergency Minor Repair and Accessibility Program can be translated into any language upon request.

CR-15 - Resources and Investments 91.520(a)

Identify the resources made available

Source of Funds	Source	Resources Made Available	Amount Expended During Program Year
CDBG		574,286	222,529

Table 3 - Resources Made Available

Narrative

The City has had additional funds drawn down for PY 2015 activities in the amount of \$31,912.01 not accounted for in the Actual Amount Expended Program Year 2015 due to those request being completed after 3/31/2016. In addition \$199,840 will be paid out by the end of June for the Boys and Girls Club and the St. Vincent de Paul H.E.L.P. Center projects. The City Street Department is currently working on their schedule so that a portion of the City's sidewalks can be upgraded as soon as possible. The City of Coeur d'Alene receives no federal funding in addition to CDBG for housing and non-housing community development and there are no matching requirements for the City's CDBG program.

Identify the geographic distribution and location of investments

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description

Table 4 – Identify the geographic distribution and location of investments

Narrative

The City's program planning is focused toward the number of persons that can be helped, and identifying projects that will produce the best benefit for the investment, rather than being geographically focused.

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

The City of Coeur d'Alene does not require match for projects under the Community Grant Opportunity Program, or for those projects initiated through the City's open door policy. Only projects that demonstrate a complete and reasonable budget are considered for funding. Right now there are no projects currently identified that would require the use of public lands, the City is always open to potential projects and partnerships they may use public lands for the benefit of their LMI citizens.

CR-20 - Affordable Housing 91.520(b)

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

	One-Year Goal	Actual
Number of Homeless households to be		
provided affordable housing units	20	0
Number of Non-Homeless households to be		
provided affordable housing units	20	0
Number of Special-Needs households to be		
provided affordable housing units	0	0
Total	40	0

Table 5- Number of Households

	One-Year Goal	Actual
Number of households supported through		
Rental Assistance	0	0
Number of households supported through		
The Production of New Units	0	0
Number of households supported through		
Rehab of Existing Units	10	10
Number of households supported through		
Acquisition of Existing Units	0	0
Total	10	10

Table 6 - Number of Households Supported

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

The homeless and non-homeless goal will be realized after disbursement of PY 2015 funds to St. Vincent de Paul of North Idaho, these goals will be met after the purchase of the H.E.L.P. Center which will take place during PY 2016. This project allocation was just completed in February 2016 by a Substantial Amendment that has been approved by HUD. The Rehab of Existing homes goal has been exceeded every year since the City began the Emergency Minor Repair and Accessibility Program.

Discuss how these outcomes will impact future annual action plans.

The City has currently surpassed a few target goals and are currently on target to achieve our goals for PY 2015 funding and will continue to focus on our long term goals as set in our 2013-2017 Consolidated Plan and our PY 2016 Annual Action Plan.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Number of Persons Served	CDBG Actual	HOME Actual
Extremely Low-income	18	0
Low-income	6	0
Moderate-income	3	0
Total	27	0

Table 7 – Number of Persons Served

Narrative Information

Due to the City's relatively limited CDBG funding allocation, the main focus for use of these funds is our City's LMI population. All work completed using CDBG funds are for the benefit of LMI residents with the exception of our administrative cost. The city's average over the last seven years is 82% of all CDBG funding received is used to benefit our LMI.

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City works closely with local organizations such as St. Vincent de Paul, North Idaho Housing Coalition, IHFA, the Region 1 Homeless Coalition (Continuum of Care), Safe Passage, Trinity Group Homes and other government and non-profit organizations to identify areas of need in the community. The City keeps close contact with all of the area housing and homeless agencies and stakeholders on all faucets of the City's Entitlement Program including public hearings/forums, Community Opportunity Grants and Fair Housing Training.

The City's CDBG Administrator attends the monthly Region 1 Homeless Coalition Meeting as well as the quarterly IHFA Housing Roundtable meetings. The City's CDBG Administrator is currently the Chair of the Balance of State CoC Strategic Planning Committee and is heavily involved with this program.

All area agencies are invited to apply for CDBG Community Opportunity Grants when available.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City receives no funding beyond their CDBG Entitlement for homelessness activities. St. Vincent de Paul North Idaho distributes McKinney-Vento funding through the Supportive Housing Program (SHP), Shelter Plus Care Program (S+C) and Emergency Solutions Grant Program (ESG). Additionally, St. Vincent de Paul operates a project called Angel Arms that provides funding for 10 single unit apartments for chronically homeless individuals. The program also provides intensive weekly case management, which begins with a self-sufficiency plan that includes job training services, substance abuse counseling, Life Skills classes, parenting classes, financial literacy classes, etc. Other available emergency shelters include the Children's Village, St. Vincent de Paul Woman's Shelter, St. Vincent de Paul Men's Shelter, St. Pius Church, Safe Passage and the OASIS Post Falls Police Department, a county wide emergency shelter located outside of Coeur d'Alene. Together these shelters provide beds to people in need of housing. Realistically, homelessness is a chronic problem and will never be totally eliminated. Some barriers to ending homelessness such as poor and non-existent housing stock and lack of jobs can be addressed by local governments, though correcting those problems are not quick or easy fixes.

In 2015 HUD awarded \$4,076,606 to support 45 homeless housing and service projects across Idaho. That award included \$338,375 for St. Vincent de Paul and Family Promise for their permanent and transitional housing projects located in Coeur d'Alene.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

The obstacles to meeting underserved needs are as varied as the individuals who seek assistance. As organizations and agencies record program activities including successes and failures, adjustments are made to the process, to incorporate the most effective methodologies and modify or eliminate those that are not working. The process is on-going and flexible (within the confines of established regulations) as possible to address the conditions and circumstances adherent to Coeur d'Alene.

The H.E.L.P. Center, run by St. Vincent de Paul North Idaho, is an excellent start for transitioning people from homelessness to independence. This innovative partnership provides office space and basic operating functions in a "one stop shop" so that LMI persons can make inquiries and receive services from employment searches to housing assistance to basic health care with various organizations represented on site. The Ten Year Plan to End Homelessness describes the following approaches to combat homelessness in the Coeur d'Alene area: 1. Develop better data collection and coordination of agency efforts. 2. Identify and increase the inventory of available affordable housing stock. 3. Improve economic development opportunities and coordinate the response among local governments. 4. Deploy the Housing First model for Permanent Supportive Housing. 5. Create a One-Stop-Shop to end the practice of having individuals who are struggling and have no transportation, from being moved from one agency (and location) to the next when seeking services. 6. Increase community awareness to draw new and concerned voices to the table to help win the battle against homelessness.

St. Vincent de Paul along with other area homeless and domestic violence agencies, including the City's CDBG administrator are extremely involved with the Region 1 Homeless Coalition and the Balance of State CoC Program. Currently the Balance of State CoC is undergoing a complete update to their reporting system requirements in order to meet HUD's seven System Performance Measures.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

Barriers created or exacerbated by the homeless individuals are varied, as are the methods to mitigate those barriers. Lack of education, job training, and financial management skills can be provided through government-funded programs; the success of those efforts is unpredictable and not always permanent,

and depends on a certain level of commitment by the homeless individual. Barriers involving health and mental health issues require different, and often more expensive resources, and a greater commitment to change by the homeless person. With more resources being cut from the state budget, it is harder for local service organizations to continue to serve this population. Plans and programs can provide resources, encouragement, even a system of rewards or punishments, but no one solution will work for everyone. The City and other partners in the Ten Year Plan to End Homelessness will concentrate their efforts on helping as many persons as possible, using all resources at their disposal. The City does not currently have a discharge policy or have direct responsibility for discharge planning and protocols for persons leaving publicly funded institutions or health care systems. These responsibilities are handled at the State level directly through the Department of Corrections and Health and Welfare for persons still enrolled in their systems as they are required to find suitable housing before discharge.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

Idaho Housing and Finance Association (IHFA) serves the housing needs of the Idaho Panhandle, including the City of Coeur d'Alene. IHFA has an established system for providing service, which is well received within the region. IHFA administers the Section 8 program in the City of Coeur d'Alene. During 2015 IHFA the Section 8 Housing Choice Voucher program provided approximately \$2,006,000 in vouchers to 444 families in the City of Coeur d'Alene and \$4,245,000 into Region One. Under the HUD Direct Program IHFA spent approximately \$1,421,000 in Coeur d'Alene as well as an additional \$270,000 under the Project Based Section 8 Program. According to IHFA this funding seems to remain fairly steady and dollar figure changes are minimal from "year to year".

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

The City agreed to have the North Idaho Housing Coalition (NIHC) administer the Neighborhood Stabilization (NSP) funds. NIHC works with families and individuals throughout north Idaho. Of the approximately 95 families assisted in Kootenai County between 2009 and 2015, 22 have been residents of Coeur d'Alene. The City strongly supports the NIHC goals to help provide affordable and workforce housing. NIHC works with families that are LMI; approximately 30% of the total families assisted are at 50% of the median and below and 80% of the total families assisted are at 120% of the median and below. NIHC has received \$16.5 million in NSP and HOME funding through 2015.

Through the use of the NSP funding, NIHC works to acquire foreclosed homes and rehabilitates them as needed. The homes are then marketed to potential buyers that meet the NSP qualifications. NIHC assists qualified buyers with closing costs and mortgage reductions, based on need. Buyers obtain a mortgage loan through the lender of their choice and sale proceeds are returned to the NSP program managed by IHFA. NIHC requires participants to contribute a minimum of \$500 toward the housing purchase and to participate in credit counseling if needed. Participants also contribute to the community by donations of time through the Deeds of Distinction program. Several local non-profits have benefitted from hours of community service, such as the Food Bank, St. Vincent de Paul, Family Promise, United Way, Special Olympics and numerous churches and schools. NIHC uses HOME funds to assist families with incomes at or below 80% of the area median income in purchasing a home. This program is similar to the NSP program (purchase, rehabilitation, and reselling) but is not limited to foreclosed properties. The City fully supports NIHC and will continue to concentrate on identifying new avenues for partnerships to expand on NIHC accomplishments. The City continues to consider all partnership opportunities that may arise with local and statewide agencies for affordable housing projects within the city limits of Coeur d'Alene for LMI residents.

Actions taken to provide assistance to troubled PHAs

The PHA has not been designated as troubled, and the City feels it would be redundant, expensive, and inefficient for the City to attempt to create a jurisdictional service separate from the current program. The likelihood of failure is unforeseeable; however, if the system were to fail, the City would work with the State and local service organizations to determine the best method of forming a new system.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

The City has approved the update to the Analysis of Impediments to Fair Housing Choices (AI) along with the Housing Needs Assessment. The 2015 Analysis of Impediments to Fair Housing Choices (AI) included discussions on land use controls, zoning ordinances, building codes, and fees. While this report is focused on fair housing it also provides valuable insight into affordable housing and the general housing climate in the City of Coeur d'Alene. The flexibility in the laws and awareness of housing issues by the leadership positions of the City assists in making the City both a desirable place to have and build affordable housing. The 2015 AI identifies no barriers in the community due to the above listed issues. However, the review does suggest room for improvement specifically in regard to explicit acknowledgement of the Fair Housing Act and related design and construction requirements.

The City has an even disbursement of residential, commercial, and industrial zoning with many areas of mixed use facilitating affordable housing near areas that offer jobs for the residents. Minimum lot sizes are among the lowest in the state, pocket residential has no lot size or setback minimums, and accessory dwelling units are allowed in all zoning districts with no special permits required; these are all identified as favorable conditions compared to industry accepted barriers.

Investigation into tax policies, growth limitations, and policies affecting the return on investment also reveal no significant barriers. In fact, the City has an incentive program called the Density Bonus Incentive which allows downtown projects to use a larger footprint of the parcel then current code generally allows as long as new workforce housing is built as part of the project. The workforce housing can be located on the same site or somewhere within the downtown core and its immediate surrounding district.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

The City continues to work with local organizations such as St. Vincent de Paul, North Idaho Housing Coalition, IHFA, the Region I Homeless Coalition (aka Continuum of Care), and other government and non-profit organizations to identify areas of need and appropriate activities to mitigate the problems as resources allow. The H.E.L.P. (Helping Empower Local People) Center is an excellent partner in this process. An innovative partnership lead by St. Vincent de Paul provides office space and basic operating functions in a one stop shop so that LMI persons can make inquiries and receive services ranging from employment searches to housing assistance to basic health care. The obstacles to meeting underserved needs are as varied as the individuals who seek assistance. As organizations and agencies record program activities including successes and failures, adjustments are made to the process to incorporate the most effective methodologies and modify or eliminate those that are not working. The process is on-

going and as flexible as possible (within the confines of established regulations) to address the conditions and circumstances relevant to Coeur d'Alene. Additionally, the City will continue to support warming shelters and the annual Project Homeless Connect events.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

All EMRAP applications that are mailed or handed to potential clients includes a "Protect Your Family From Lead in Your Home" pamphlet. The CDBG administrator also has a list of EPA approved and certified lead abatement contractor's that can be used if needed as well as lead testing facilities to complete lead clearance exams if required.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

The City has committed to a number of strategies to help reduce poverty including partnerships with organizations such as Jobs Plus for job creation and Ignite CDA for economic development to provide better opportunities within the community. Also, there have been improvements to infrastructure including sidewalk repair/replacement in LMI neighborhoods to revitalize them which assists in alleviating burdens allowing people to focus their efforts elsewhere.

The City promotes workforce development and has been a strong supporter of the education corridor, which provides access for local residents to four institutions of higher learning (University of Idaho, North Idaho College, Lewis-Clark State College, Idaho State University). Additionally the Workforce Development Center and K-Tech offer job training and adult education opportunities beyond standardized secondary education. Providing services to at-risk-youth is another priority for the City, which is recognized by their support of the Boys and Girls Club for the new facility located next to Lakes Middle School in Coeur d'Alene. The City is diligent in seeking the best childcare regulations and encouraging growth of the industry so that working families can find affordable childcare. The City supports the local Head Start agency and agrees that education is an important step in eliminating the cycle of poverty. Because transportation costs can be a large portion of the personal budget, the City is a partner with the Coeur d'Alene Tribe and other local jurisdictions in a regional bus system, CityLink, which provides public transportation. The City contributes approximately \$43,990 annually to the program plus they pay an annual dues of \$9,955 to CityLink. Mid-size buses, approximately 32 passengers, run established routes from Plummer on US Highway 95 to Coeur d'Alene, Hayden, Post Falls and Rathdrum. Three routes have been established, two in the urban areas, and a third (the rural route) which connects the populations centers with the regions to the south. CityLink buses are accessible by ramp for persons who are physically unable to enter by the stairs and equipped with bicycle racks for those are combining modes of transportation. Unfortunately, CityLink has experienced some budget cuts which has necessitated the reduction of some stops but the City has relayed the importance to the community of a stop close to the H.E.L.P. Center.

The City's anti-poverty strategy recognizes that individuals and their situations differ; there are those individuals who are capable of being gainfully employed and those who are not. Persons with

debilitating diseases, persons with disabilities, and frail elderly are often limited in their ability to generate household income through employment. On the other hand, full-time employment does not always provide sufficient income to lift a household out of poverty, and income assistance can become a disincentive to work.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

The City of Coeur d'Alene is the lead agency for the CDBG funding. The City has established goals under their Consolidated Plan, and will work to integrate City planning, and projects with the related activities of other agencies in the area. Many of the activities to assist low/moderate income persons, special needs individuals, the homeless, and other disadvantaged groups in Coeur d'Alene and Kootenai County area are delivered through well-established programs under the direction of established organizations and agencies such as Idaho Housing and Finance Association (IHFA) and the Disability Action Center. Other programs such as the H.E.L.P. Center, Supportive Housing Program (SHP), Shelter Plus Care Program and Emergency Solutions Grant Program (ESG) are overseen by St. Vincent de Paul North Idaho, or other local not for profit organizations.

The City's belief is that agencies such as IHFA, who have been acting as the regions public housing authority for many years, have a well-established, successful, and time-tested process in place to deliver needed services to the area. It is the City's position that programs which are meeting the requirements of the residents should be encouraged to request assistance when needed, and that the City's nominal resources can be best used to support the network of organizations and programs already in place.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

The City of Coeur d'Alene along with their administrator attend meetings on a regular basis to foster a communication network with these agencies and to remain informed regarding local and regional programs; these meetings include the Region 1 Homeless Coalition monthly meetings and the IHFA Quarterly Housing Roundtable meetings. The City provides support as appropriate and practical, including web postings, information on the City's CDATV local broadcast station, distribution of printed materials, consultations and other aid as requested.

The City's CDBG administrator is currently the Chair of the Strategic Planning Committee for the Balance of State CoC. This committee is set with the task to create policies and procedures for data collection, reporting, evaluation, and system changes to be used by the Balance of State CoC once HUD's seven System Performance Measures are adopted.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

As with most communities, the major barrier facing households and individuals trying to obtain

homeownership are the limitations regarding home loans for low/moderate income persons and housing stock available in an affordable price range. The City has an excellent record of working with local organizations such as Jobs Plus to promote the City as an optimal place to establish a business. The local community college (North Idaho College) and Workforce Development Center provide opportunities for individuals to upgrade and improve employment skills. The City is working with the University of Idaho, Lewis-Clark State College, and Idaho State University to finalize an education corridor and provide better opportunities for residents to reach a level of education or expertise that will assist them in achieving living wage employment while creating additional jobs at the colleges (e.g., professors, service workers, and building maintenance staff).

The City will continue to write letters of support for projects seeking LMI tax credits that fit the goals of the Consolidated Plan. The City continues to seek additional methods of encouraging developers to construct LMI housing. With the help of the new Housing Needs Assessment, the City hopes to be able to start new partnerships for LMI housing opportunities.

The City continues to co-sponsor Fair Housing training and education outreach. The City, along with Spokane County, the City of Spokane, the State of Washington, the Northwest Fair Housing Alliance, the Spokane Low Income Housing Consortium and HUD sponsor a large fair housing conference held in Spokane, WA annually during Fair Housing Month. This event is well established with an average attendance of 350 people over its first four years. While the City of Spokane is in another state, it is a short 30 minute commute and is a regional hub that shares many of the same population and service providers as Coeur d'Alene.

The City's CDBG administrator attended additional events to promote and educate the citizens of Coeur d'Alene. These events included; the Coeur d'Alene ADA Celebration held July 24, 2015 and the Kootenai County Fair, held August 26 - 30, 2015, both events were used to promote Fair Housing outreach, Section 504/ADA outreach and the Emergency Minor Repair and Accessibility Program (EMRAP).

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

Monitoring can vary by project and activity. The City communicates with Panhandle Area Council (PAC) on an almost weekly basis, either by phone or email, regarding program activities, compliance issues, and outreach actions. The City uses the appropriate monitoring checklists for the individual projects to ensure that pertinent questions and concerns are addressed and documented. The City will continue to refine this process to be in line with HUD's expectations.

The City and PAC meet on the 4th Thursday of each month to discuss overall program issues and to plan for futures activities and requirements. Records maintained at PAC are open to the City and funding agencies. The City and PAC maintain records of meetings with grantees and sub-recipients, photographic records of projects as they are implemented, and meets with project participants during the planning, implementation, and closeout phases, as well as, on request should partners have questions, concerns or suggestions. The City feels monitoring is essential and can be used as a tool for outreach and public education. Communication (with documentation) is a key element of all projects untaken through the City's Entitlement program. Questions and concerns are addressed as they arise, and when a programmatic issue is identified, actions to correct the item are incorporated into the overall communications and monitoring plan. Determining realistic schedules has been the most common issue to be addressed.

Panhandle Area Council is always available to answer questions for grant recipients and assist to ensure timelines are realistic in nature, while meeting the City's expectations for timeliness. The City of Coeur d'Alene has instituted a comprehensive monitoring and technical assistance program designed to promote communication and accountability. The monitoring process consists of four components: 1) Pre-Assessment, 2) Desk Monitoring, 3) On-Site Monitoring, and 4) Ongoing Technical Assistance. Panhandle Area Council, as Administrators under the City of Coeur d'Alene's CDBG Entitlement Program, has added to their sub-recipient review process the HUD Exhibit Checklist K, OMB Circular A-133 Audits of States, Local, Governments, and Non-Profit Organizations. The Federal Audit Clearinghouse will be used to obtain audit and reporting information.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

The City strictly follows its Citizen Participation Plan. Public hearings are held during regularly-scheduled City Council Meetings and are conducted as needed or required. The City held multiple public

hearings and forums for PY 2015 including; forums/hearings for the Annual Action Plan, the PY 2014 CAPER and the Housing Needs Assessment/Analysis of Impediments to Fair Housing Choices. The City always encourages its citizens to attend these hearings and to log on to the City's website to view any current and past plans available. All City Council meetings and public hearings are televised on CDA TV, channel 19 or they can view the archived recordings found on the City's website. The public comment period for the PY 2015 CAPER began May 23, 2016, with a legal advertisement in the Coeur d'Alene Press, and will be open until the public hearing on June 7, 2016. The public is encourage to attend the hearing and give comments regarding the CDBG program as a whole and the CAPER for PY 2015. All proposed actions under the Entitlement Program are reviewed for compliance under HUD regulations, specifically that they meet a national objective, constitute an eligible activity, and address one of the goals established by the City within its Consolidated Plan.

All documents related to the City's CDBG program can be found at: http://www.cdaid.org/78/departments/municipal/community-development-block-grant

This year the City held an additional public comment period and public hearing due to the substantial amendments made to the Annual Action Plan for PY 2014 and PY 2015. The public comment period for these amendments began on January 14, 2016 and was open until the public hearing held during the regular City Council meeting on February 16, 2016 at which time no public comments were made or received. The public comment period for the PY 2016 Annual Action Plan began March 4, 2016 and was open until the public hearing held April 5, 2016 during the City Council meeting. A public forum for the Annual Action Plan was held on March 24, 2016. The public was encouraged to attend the forum to help us gather public input on these critical issues.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

The City of Coeur d'Alene has not changed its goals and/or its objectives and have had no significant negative experiences effecting its CDBG program to date.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

No

[BEDI grantees] Describe accomplishments and program outcomes during the last year.

2015 Inland NorthwestFair Housing Conference

A RENEWED COMMITTMENT

Thursday, April 23, 2015
8:00 am to 4:30 pm
Spokane Convention Center
334 West Spokane Falls Boulevard, Spokane, WA
\$40 Registration Fee

KEYNOTE: Gloria Ochoa

Gloria was appointed as the City of Spokane Local Government & Multi-Cultural Affairs Director in December, 2013. Previously she served as a Deputy Prosecuting Attorney for Benton County, before transitioning into a private practice focused on state and federal criminal defense. Gloria has held a judicial services contract with the Spokane Tribe of Indians and served as Chief Judge for Spokane Tribal Court. Gloria serves as the City's liaison to local government. She is the point of contact for the City/County regional criminal justice reform efforts, serves as Chair of Governor Inslee's Commission on Hispanic Affairs, and serves on the Washington State Bar Association Lawyer's

Fund for Client Protection Board. She is a member of the cohort of the Washington Equal Justice Community Leadership Academy and a certified Intercultural Development Inventory Consultant.

General Sessions for All Attendees: ● Fair Housing Basics ● Reasonable Accommodations

Afternoon Breakout Sessions (Choose 3): Assistance Animals ● Familial Status / occupancy standards and overly restrictive rules for children ● Domestic Violence and Fair Housing Implications ● National Origin issues ● LGBT and Fair Housing ● Fair Housing for Veterans ● Fair Housing Laws in Homeless Shelters and Transitional Housing ● Advertising and the Internet ● Fair Lending ● Landlord/Tenant Law ● or <u>Track for Recipients of Federal Funding</u>

Accommodations will be provided, to the maximum extent feasible, to meet the needs of non-English speaking, deaf and hearing impaired, and visually impaired persons. The City of Spokane will make arrangements to provide an interpreter, a signer, or a reader upon request, if such a request is made at least 72 hours prior to the Fair Housing Conference. If you need additional accommodations, please call George Dahl at (509) 509.625.6036 at least 72 hours in advance.

Northwest Fair Housing Alliance 35 W Main, Suite 250 Spokane, WA 99201

1101 Vermont Avenue, NW, Suite 710, Washington, DC 20005 • (202) 898-1661 • Fax: (202) 371-9744 • www.nationalfairhousing.org

Renata Mcleod City Clerk City of Coeur d'Alene **Municipal Services** 710 E Mullan Ave Coeur D Alene ID 83814-3958

Dear Renata,

Please note that the enclosed are two-sided posters in English and Spanish (front/back). The PSAs include the following:

- "Diversity" in English and Spanish (promotes diverse communities)
- "Hurdles" in English and Spanish (addresses lending discrimination)
- "PTSD" in English and Spanish (addresses discrimination because of mental/emotional disability)

"Diversity"

"Hurdles"

"PTSD"

(continued on reverse)

The National Fair Housing Alliance (NFHA) is the voice of fair housing. NFHA works to eliminate housing discrimination and to ensure equal housing opportunity for all people through leadership, education, outreach, membership services, public policy initiatives, advocacy, and enforcement.

A RESOLUTION OF THE CITY OF COEUR D'ALENE, IDAHO, APPROVING A DISPLACEMENT POLICY AND RELOCATION PLAN FOR THE CITY AND ITS SUBGRANTEES.

A summary of the principal provisions of the Plan, pursuant to Resolution No. 04-011, adopted by the City of Goeur d'Alene on November 18, 2003 is as follows:

Section I: Sets forth the purpose, intent and authorizing authority for the plan.

Section 2: Sets forth the procedures for providing replacement housing for low/moderate-income dwellings, demolished or converted to a use other than low/moderate-income dwellings. Section 3: Sets forth the authorizing authority for providing relocation assistance. Section 4: Sets forth the steps that will be taken to minimize displacement of persons from their homes.

The full text of said Plan is available at the City Hall, City Clerk's Office, 710 E. Mullan Avenue, Coeur d'Alene, Idaho, and will be provided to any citizen upon personal request to the City Clerk at (208) 769-2231,

Renata McLeod, City Clerk City of Coeur d'Alene Legal 3573 May 12; 2015

MY COMMISSION EXPIRES 8/29/17

PROCLAMATION

WHEREAS, on April 11, 1968, President Lyndon Johnson signed the Civil Rights Act of 1968. The 1968 Act clarified the prohibition of discrimination regarding the sale, rental, and financing of housing based on race, color, religion, national origin, sex (and as later amended) disability, and family status; and

WHEREAS, it has be 46 years since the enactment of the 1968 Act, and the community of Coeur d'Alene continues to work together to uphold the Fair Housing law and the principal of equal opportunity on which it is based; and

WHEREAS, this month is deemed Fair Housing month, and should be a celebration of laws and efforts of citizens to remove impediments to equal housing opportunities, and to emphasize and ensure the rights of all citizens in an effort to provide housing choice; and

WHEREAS, Equal opportunity housing can best be accomplished through leadership, example, education, and the mutual cooperation of all those affiliated with real estate industry and the public; and

WHEREAS, the City of Coeur d'Alene supports the on-going efforts of the many organizations, housing and service providers through continued education, and outreach to affirmatively further fair housing;

NOW, THEREFORE, I STEVE WIDMYER, Mayor of the City of Coeur d'Alene, Idaho, do hereby proclaim April, 2015 as

FAIR HOUSING MONTH

In Coeur d'Alene and ask the people to join in reaffirming their commitment to fair housing opportunities for all and to wholeheartedly recognize these rights throughout the year.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of Coeur d'Alene to be affixed this April 7, 2015.

Steve Widmyer, Mayor

ATTEST:

Renata McLeod, City Clerk

U.S. Department of Housing and Urban Development

OMB Approval No.: 2577-0088 OMB Approval No.: 2502-0355

Public reporting burden for this collection of information is estimated to average .5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The Information is voluntary. HUD may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB Control Number.

Executive Orders dated July 14, 1983, directs the Minority Business Development Plans shall be developed by each Federal Agency and the these annual plans shall establish minority business development objectives. The information is used by HUD to monitor and evaluate MBE activities against the total program activity and the designated minority business enterprise (MBE) goals. The Department requires the information to provide guidance and oversight for programs for the development of minority business enterprise concerning Minority Business Development. If the information is not collected HUD would not be able to establish meaningful MBE goals nor evaluate MBE performance against these goals.

Privacy Act Notice = The United States Department of Housing and Urban Development, Federal Housing Administration, is authorized to solicit the Information requested in this form by virtue of Title 12, United States Code, Section 1701 et seq., and regulation. It will not be disclosed or relessed outside the United States Department of Housing and Urban Development without your consetn, except as required or permitted by Law.

Indic and	cate the efforts made to direct the employment and other economic opportunities generated community development programs, to the greatest extent feasible, toward low-and very low recipients of government assistance for housing. (Check all that apply.) Attempted to recruit low-income residents through: local advertising media, signs promicontracts with the community organizations and public or private agencies operating with nonmetropolitan county) in which the Section 3 covered program or project is located, on Participated in a HUD program or other program which promotes the training or employure Participated in a HUD program or other program which promotes the award of contracts	r-income persons, particularly those nently displayed at the project site, hin the metropolitan area (or r similar methods. ment of Section 3 residents.

Public reporting for this collection of information is estimated to average 2 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB number.

Other; describe below.

Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u, mandates that the Department ensures that employment and other economic opportunities generated by its housing and community development assistance programs are directed toward low- and very-low income persons, particularly those who are recipients of government assistance housing. The regulations are found at 24 CFR Part 135. The information will be used by the Department to monitor program recipients' compliance with Section 3, to assess the results of the Department's efforts to meet the statutory objectives of Section 3, to prepare reports to Congress, and by recipients as self-monitoring tool. The data is entered into a database and will be analyzed and distributed. The collection of information involves recipients receiving Federal financial assistance for housing and community development programs covered by Section 3. The information will be collected annually to assist HUD in meeting its reporting requirements under Section 808(e)(6) of the Fair Housing Act and Section 916 of the HCDA of 1992. An assurance of confidentiality is not applicable to this form. The Privacy Act of 1974 and OMB Circular A-108 are not applicable. The reporting requirements do not contain sensitive questions. Data is cumulative; personal identifying information is not included.

Form HUD-60002, Section 3 Summary Report, Economic Opportunities for Low- and Very Low-Income Persons.

Instructions: This form is to be used to report annual accomplishments regarding employment and other economic opportunities provided to low- and very low-income persons under Section 3 of the Housing and Urban Development Act of 1968. The Section 3 regulations apply to any public and Indian housing programs that receive: (1) development assistance pursuant to Section 5 of the U.S. Housing Act of 1937; (2) operating assistance pursuant to Section 9 of the U.S. Housing Act of 1937; or (3) modernization grants pursuant to Section 14 of the U.S. Housing Act of 1937 and to recipients of housing and community development assistance in excess of \$200,000 expended for: (1) housing rehabilitation (including reduction and abatement of lead-based paint hazards); (2) housing construction; or (3) other public construction projects; and to contracts and subcontracts in excess of \$100,000 awarded in connection with the Section-3-covered activity.

Form HUD-60002 has three parts, which are to be completed for all programs covered by Section 3. Part I relates to *employment* and *training*. The recipient has the option to determine numerical employment/training goals either on the basis of the number of hours worked by new hires (columns B, D, E and F). Part II of the form relates to *contracting*, and Part III summarizes recipients' *efforts* to comply with Section 3.

Recipients or contractors subject to Section 3 requirements must maintain appropriate documentation to establish that HUD financial assistance for housing and community development programs were directed toward low- and very low-income persons.* A recipient of Section 3 covered assistance shall submit one copy of this report to HUD Headquarters, Office of Fair Housing and Equal Opportunity. Where the program providing assistance requires an annual performance report, this Section 3 report is to be submitted at the same time the program performance report is submitted. Where an annual performance report is not required, this Section 3 report is to be submitted by January 10 and, if the project ends before December 31, within 10 days of project completion. Only Prime Recipients are required to report to HUD. The report must include accomplishments of all recipients and their Section 3 covered contractors and subcontractors.

HUD Field Office: Enter the Field Office name .

- Recipient: Enter the name and address of the recipient submitting this report.
- Federal Identification: Enter the number that appears on the award form (with dashes). The award may be a grant, cooperative agreement or contract.
- Dollar Amount of Award: Enter the dollar amount, rounded to the nearest dollar, received by the recipient.
- 4 & 5. Contact Person/Phone: Enter the name and telephone number of the person with knowledge of the award and the recipient's implementation of Section 3.
- Reporting Period: Indicate the time period (months and year) this report covers.
- 7. Date Report Submitted: Enter the appropriate date.

- Program Code: Enter the appropriate program code as listed at the bottom of the page.
- Program Name: Enter the name of HUD Program corresponding with the "Program Code" in number 8.

Part I: Employment and Training Opportunities

Column A: Contains various job categories. Professionals are defined as people who have special knowledge of an occupation (i.e. supervisors, architects, surveyors, planners, and computer programmers). For construction positions, list each trade and provide data in columns B through F for each trade where persons were employed. The category of "Other" includes occupations such as service workers.

Column B: (Mandatory Field) Enter the number of new hires for each category of workers identified in Column A in connection with this award. New hire refers to a person who is not on the contractor's or recipient's payroll for employment at the time of selection for the Section 3 covered award or at the time of receipt of Section 3 covered assistance

Column C: (Mandatory Field) Enter the number of Section 3 new hires for each category of workers identified in Column A in connection with this award. Section 3 new hire refers to a Section 3 resident who is not on the contractor's or recipient's payroll for employment at the time of selection for the Section 3 covered award or at the time of receipt of Section 3 covered assistance.

Column D: Enter the percentage of all the staff hours of new hires (Section 3 residents) in connection with this award.

Column E: Enter the percentage of the total staff hours worked for Section 3 employees and trainees (including new hires) connected with this award. Include staff hours for part-time and full-time nositions

Column F: (Mandatory Field) Enter the number of Section 3 residents that were trained in connection with this award. Part II: Contract Opportunities

Block 1: Construction Contracts

Item A: Enter the total dollar amount of all contracts awarded on the

Project/program.

Item B: Enter the total dollar amount of contracts awarded on the project/program.

project/program that were awarded to Section 3 businesses. **Item C:** Enter the percentage of the total dollar amount of contracts connected with this project/program awarded to Section 3 businesses.

Item D: Enter the number of Section 3 businesses receiving awards. Block 2: Non-Construction Contracts

Item A: Enter the total dollar amount of all contracts awarded on the project/program.

Item B: Enter the total dollar amount of contracts connected with this project awarded to Section 3 businesses.

Item C: Enter the percentage of the total dollar amount of contracts connected with this project/program awarded to Section 3 businesses.

Item D: Enter the number of Section 3 businesses receiving awards.

Part III: Summary of Efforts - Self -explanatory

Submit one (1) copy of this report to the HUD Headquarters Office of Fair Housing and Equal Opportunity, at the same time the performance report is submitted to the program office. The Section 3 report is submitted by January 10. Include only contracts executed during the period specified in item 8. PHAs/IHAs are to report all contracts/subcontracts.

* The terms "low-income persons" and very low-income persons" have the same meanings given the terms in section 3 (b) (2) of the United States Housing Act of 1937. *Low-income persons* mean families (including single persons) whose incomes do not exceed 80 percent of the median income for the area, as determined by the Secretary, with adjustments for smaller and larger families, except that

The Secretary may establish income ceilings higher or lower than 80 percent of the median for the area on the basis of the Secretary's findings such that variations are necessary because of prevailing levels of construction costs or unusually high- or low-income families. *Very low-income persons* mean low-income families (including single persons) whose incomes do not exceed 50 percent of the median family income area, as determined by the Secretary with adjustments or smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 50 percent of the median for the area on the basis of the Secretary's findings that such variations are necessary because of unusually high or low family incomes.
