### **Tell us a little bit about your background and experience:**

I have lived in Coeur d'Alene, ID since 2004 after moving here from Denver, Colorado. I grew up in Indianapolis, Indiana and received my marketing degree from Indiana University. Prior to working at City Hall, I was a private chef for local families here and in Denver, a career that lasted almost twenty years. One of the most rewarding parts of my job was building long-lasting relationships with the families that I worked for. I look forward to bringing that spirit of service to my new job as a Department Specialist.

### **What kind of training do you need to be a Department Specialist?**

In this position, it's important to have exceptional customer service skills because I am interacting with every department in City Hall as well as helping visitors who come in daily for various reasons. I like to be flexible and lend a helping hand to each department.

### **What does a Department Specialist do?**

In this position, I am responsible for greeting visitors to City Hall and helping them find where they need to go, both in person and on the phone. I am responsible for handling

### **What do you enjoy most about your job?**

What I enjoy most about my job is the ability to interact with so many people, both within City Hall and with the general public.

### **What about your family and interests?**

I am a mom to a 15-year old son, named Henry. We have a very happy chocolate lab named Duke who loves when we take him on adventures. My interests include hiking, no matter how long or short, hard or easy. I love to be on a trail. We love camping and winter sports. Even though I am no longer cooking professionally, I will always have a love of cooking and baking.

### **What do you love most about Coeur d'Alene and North Idaho?**

I love that no matter what the season, there is always something to do in Coeur d'Alene.
