

Spikes: \$15

Coeur D'Alene City Park & Railroad History

These historical spikes, placed in the ground in 1903, brought an electric railroad from Spokane to Coeur d'Alene which is now known as the Coeur d'Alene City Park area. In 2004, 101 years later, the railroad tracks were removed and salvaged to be made available to the public as a "piece of Coeur d'Alene history."
