

10.40.050: CENTENNIAL TRAIL:

A. Prohibited Use:

1. **Motorized Vehicles Prohibited:** The use of motor vehicles on or within the right of way of the Centennial Trail is prohibited.
2. **Exceptions:** The prohibition set out in subsection A of this section shall not apply to:
 - a. Any portion of the trail which lies across or within a road right of way. If the trail lies across or within a road right of way, motorized vehicles may drive within that portion of the trail lying across or within the road right of way unless signs or other markings prohibiting motor vehicles are erected and maintained;
 - b. A motorized wheelchair operated by a disabled person;
 - c. Authorized emergency or maintenance vehicles engaged in the performance of emergency or maintenance services.
3. **Horses:** Riding, leading or otherwise permitting horses on the Centennial Trail is prohibited.

B. Trail Disruption:

1. **Debris:** Depositing debris on the Centennial Trail or within the trail right of way without first obtaining written approval from the Coeur d'Alene parks department is prohibited.
2. **Surface Disturbance or Closure:** It is unlawful to alter, modify, paint, cut or destroy the surface of the Centennial Trail or the trail right of way or to conduct any activity that prevents its normal use without first obtaining written permission from the Coeur d'Alene parks department. No person shall close any portion of the trail or trail right of way without first obtaining written permission from the parks department. An alternate route, approved by the parks department, must be provided and appropriately signed before any permitted disturbance or closure of the trail is commenced.
3. **Applicability:** The requirements of this section apply to those portions of the trail outside of street rights of way. The portions within street rights of way are subject to all applicable requirements for encroachments, excavations and other impacts as required by title 12 of this code.

C. Restoration of Trail Surface:

1. Any permitted surface disturbance of the Centennial Trail must be repaired or restored within twenty four (24) hours after commencement of the surface disturbance unless additional time is specifically allowed by the authorizing permit. An alternate route, approved by the Coeur d'Alene parks department, must be provided and appropriately signed during the entire time of the trail disturbance.
2. Any repair or restoration not accomplished by the permittee within the specified time will be done by the city or subcontracted by the city with no prior notice to the permittee and at the expense of the permittee. The city will also make any immediate repairs, alterations or additions to any barricades, signs or warnings as deemed necessary for the safety of the

public without prior notice to the permittee. The permittee shall reimburse the city for the actual cost of materials, labor, equipment and overhead.

3. The permittee shall be responsible for the condition of trail surface repairs or restorations for a minimum period of two (2) years following the repair or restoration of any surface disturbance. During the two (2) year period the permittee shall, upon request from the parks department, repair to the city's satisfaction any of the repairs or restorations that have settled, cracked, broken or are otherwise faulty.

4. The requirements of this section apply to those portions of the trail outside of street rights of way. The portions within street rights of way are subject to all applicable requirements for encroachments, excavations and other impacts as required by [title 12](#) of this code.

D. Penalties:

1. Violations: Violation of this section is a misdemeanor and shall be punishable as provided in section [1.28.010](#) of this code. (Ord. 3275 §1, 2006: Ord. 3257 §2.21, 2006: Ord. 2337 §1, 1991)
