

Coeur d'Alene Police Department

2012 Annual Report

Vision Statement

The employees and citizen volunteers of the Coeur d' Alene Police Department are dedicated to the principle of community involvement and interaction with our citizens. Maintaining the quality of life in our community that truly makes this area desirable is important to all of us.

The absence of crime will determine the success of our efforts. We remain committed to the principle of the "people are the police and the police are the people." As our community grows and we all face new and different challenges, our goal is to remain responsive to the needs of the public that we serve.

The Coeur d' Alene Police Department is committed to safe guarding the rights of citizens and preserving the quality of life that we all cherish. You will find no more dedicated and committed employees than the men and women in this department.

2012 Year in Review

Welcome to the Coeur d' Alene Police Department's Annual Report for 2012. We hope that you will find this report helpful and informative. As I will be retiring in the Fall of 2013, this will be my last annual report to you.

It is the goal of the men and women of this department to serve the citizens of our city in the most efficient, effective way possible. A vital part of that commitment is to provide as much information as possible to our citizens. Our report is comprehensive and represents the goals and objectives of the police department.

You will find a tremendous amount of public safety and service information in this report. Please feel free to contact us with any thoughts or ideas on how we can improve our service to you. I hope that you will also visit our website for additional information and services that your police department provides.

School Resource Officer Projects

Character Education Project Teaches:

- ♦ **Understanding ego** and the role it plays in taking chances and engaging in practices that are “not cool.”
- ♦ How to overcome the **temptation to lie** and understanding how **admitting our mistakes improves our image** to others.
- ♦ Understanding how **actions help us make proper judgment** about someone’s character.
- ♦ Understanding the **value of evaluating the mistakes of others** when thinking about **our future actions**.
- ♦ Understanding the **damage we do to our character** when we relent and allow someone to talk us into something we know is not right.

Prescription Turn In Program

Reduction of prescription medications that are diverted for illegal use, by theft or misuse. Encouraging the public to turn in unused medication **will reduce the amount of medication abused by our young people.**

This program continues to be a success with two local public turn in events scheduled in 2011 in conjunction with the **National Prescription Drug Turn In.** Also in 2011, a **prescription drug drop box** was installed in the Coeur d'Alene Police Dept. Lobby to facilitate public participation in this important program.
