Coeur d'Alene Police Department Police Explorer Program

Police Explorer Program

This Explorer program is a division of the Boy Scouts of America and is sponsored by Coeur d'Alene Police Department.

The program is designed for young people who may be interested in a career in law enforcement. Some of the services that Explorers provide are assisting at community functions and traffic direction.

During the year, Explorers will have the opportunity to work directly with the Coeur d'Alene Police Department and, in doing so, gain knowledge and insight regarding medical emergencies, domestic disturbances, directing traffic, firearms training, crime scene processing, traffic stops and others.

In addition to gaining a working knowledge of police work, the participants also attend state and national conferences where their training is tested against explorers from other law enforcement posts.

Explorer Program Goals

- ◆ Gain practical experience in the law enforcement field.
- ◆ Engage in a program of activities centered on the five emphasis areas (career opportunities, life skills, service learning character education and leadership experience) to encourage development of the whole person.
